Request for Expressions of Interest (2nd Call)

Memo No: Panbesh/CASE-PP/BRNS/11/2008/204 Date: 09-11-2008

Short-listing of Consulting Firms for Bus Route Rationalization - Dhaka Bus Route Network Study (Contract Package No. S13)

- The People's Republic of Bangladesh has received a Japanese Policy and Human Resource Development (PHRD) grant (No. TF090407-BD) Preparation of the Clean Air and Sustainable Environment (CASE) Project and intends to apply part of the proceeds of the grant towards undertaking the above study.
- The grant will be administered by a multi-sector Project Preparation Team (PPT), anchored at the Department of Environment (DOE), with membership from the MOC and DCC.
- The GOB is commissioning a pre-feasibility study with the ultimate objective of addressing the problems of slow bus operating speeds and poor vehicle quality by encouraging the introduction of better quality vehicles through the offer of exclusive rights to operate a franchised BRT system or exclusive use of bus priority measures, e.g. reserved bus lanes. The proposed study will complement the objectives of earlier study done in this regard.
- The study seeks to examine the ways and means as to how the current bus route network in Dhaka could be restructured to improve the service conditions.
- The key tasks of the study are as follows:
 - to identify problems of the current route network and route capacity.
 - to propose changes to the route structure for BRT or bus priority service (e.g. on a reserved/dedicated lane).
 - to outline and propose legal and regulatory requirements needed to enable bus route design and allocation, including franchised bus route operation.
 - to outline the main terms of franchise-type agreement for companies with exclusive operation rights on the restructured route network.
- This study is time constrained and must be completed no later than end-June 2008.
- It is envisaged that the study will be led by a recognized local consultancy firm. International input to the consultant team is encouraged. The selected firm should have the following minimum qualifications:
 - Relevant experience in urban public transport feasibility studies in South Asia.
 - Strong technical skills in bus priority/demand estimation/route contract preparation.
 - Thorough knowledge of Dhaka bus routes.
 - Proven ability to achieve results in collaborative, team environment.
- Companies may team up and may involve specialist sub-consultants with overseas experience in bus network design.
- The Project Director of the CASE-Preparation Project now invites eligible consulting firms to express their interest in providing the above services. Interested companies must provide information indicating their professional capability and experience to perform the services. Such information shall include description of previous similar assignments carried out, staff resumes, current availability, organization portfolio, financial capabilities and updated information regarding tax and VAT.
- The consulting firm will be selected in accordance with the procedures set out in the World Bank's Guidelines, "Selection and Employment of Consultants by World Bank Borrowers" (May 2004).
- Interested consulting firms may obtain further information from background documents including a more detailed terms of reference at the address below during office hours on weekdays from 9am to 5pm.
- Expressions of interest for the above contract must be delivered to the address below on or before November 30 2008 during office hours.
