# Stocks gain on SEC move to raise margin loan ratio

STAR BUSINESS REPORT

Dhaka stocks gained sharply yesterday, riding on the regulator's move to increase the margin loan ratio.

Market operators said the initiatives taken by the Securities and Exchange Commission have apparently soothed the confidence of retail investors, as reflected in price movement and increased turnover.

They said the market started bouncing back on Monday when it witnessed a slow rise on investors' expectations that positive decisions would be taken by the SEC to bring back stability and confidence into the market from a consecutive five-week slump.

After a meeting with merchant bankers on Tuesday, the SEC announced that it would actively consider an enhancement in margin loan ratio.

The SEC also said it would further consider relaxing the conditions for merchant banking wings of non-banking financial institutions (NBFIs) for giving loans to the investors. At present, the NBFIs are not allowed to provide loans more than five times of their paid-up capital.

The market operators said the investors were more active across the board to take a position on securities that pushed the benchmark index of the Dhaka Stock Exchange as high as 2,704 points in the mid-day.

However the DSE General Index finally rose 71.33 points, or 2.72 percent to 2,693.27 points. The All Share Price Index also increased 55.64 points, or 2.55 percent to 2,231.62 points.

Most of the securities traded up on the premier bourse. Of the 227 traded scrips, 181 registered gains, 40 incurred losses and six remained unchanged.

A total of 2,27,25,014 shares worth Tk 222.40 crore changed hands on the DSE. The market capitalisation increased to Tk 97,018.74 crore.

Beximco Pharma topped the turnover leaders with 11,28,650 traded shares worth Tk 17.94 crore. The day's other turnover leaders were Titas Gas, ICB 2nd NRB, Grameen Mutual Fund One: Scheme 2, Beximco, LankaBangla Finance, Uttara Bank, AIMS 1st Mutual Fund, ACI and Aftab Auto.

Chittagong stocks also marked a sharp rise yesterday. The CSE Selective Categories Index went up 143.09 points, or 2.73 percent to 5,378.87 points, while the CSE All Share Price Index gained 200.09 points, or 2.47 percent to 8,274.33 points.

A total of 66,50,580 shares worth Tk 51.36 crore changed hands on the port city bourse. Of the 129 traded issues, 113 advanced, 13 declined and three remained unchanged.

## Dollar mixed in Asia amid corporate worries

AFP, *Tokyo*

The dollar lost ground against the euro but gained on the yen in Asian trade on Wednesday as traders focused on the deteriorating health of the global economy.

The euro rose to 1.2578 dollars in Tokyo afternoon trade, from 1.2523 in New York late on Tuesday. The dollar climbed to 97.73 yen from 97.60, while the euro rose to 122.90 yen from 122.23.

"We are seeing the rise of the yen taper off for the time being," said Osamu Takashima, chief analyst at the Bank of Tokyo-Mitsubishi UFJ. "But it is not to say the general trend of a strong yen has ended."

The yen has risen sharply in recent months, particularly against high-yielding currencies, as investors unwind risky bets funded with cheap Japanese credit.

The euro had fallen sharply on Tuesday against the greenback as investors sought refuge in the US currency amid deepening fears for the world economy.

Market participants were hoping for positive news from a summit on the financial crisis to be held in Washington at the weekend, although the event itself might not move the market, traders said.

"The summit itself might not solve all the problems in the financial market. But it will be an important meeting and people are looking at it with some hope for a fix for the market," Takashima said.

The dollar firmed to 32.99 Taiwan dollars from 32.84 on Tuesday, to 1.5042 Singapore dollars from 1.4977 and to 49.04 Philippine pesos from 48.78.

The greenback rose to 11,600 Indonesian rupiah from 11,300, to 34.97 Thai baht from 34.92 and to 1,353.7 Korean won from 1,329.
