

Two JMB men acquitted

COURT CORRESPONDENT

A Dhaka court yesterday acquitted two members of Jama'atul Mujahideen Bangladesh (JMB) in a case filed against them for possessing 21 grenade shells.

Judge Mohammad Israil Hossain of the Speedy Trial Tribunal-4 handed down the verdict to Saiful Islam and Mahbub Hossain at a packed courtroom.

In the judgement, the judge said that the two JMB members were acquitted of the charges, as there were no explosive substances in the grenade shells recovered from their possession.

Earlier, the prosecution and the defence had completed their arguments and the court recorded statements of 23 prosecution witnesses.

According to the prosecution, a team of Rapid Action Battalion (Rab) raided Hafezia Madrasa at Forzakanda in Narayanganj district on January 7 last year. They recovered 21 grenade shells from there.

27TH BCS EXAMS Admin reform body to decide candidates' fate

DU CORRESPONDENT

The government yesterday assigned the advisory committee on administrative reform commission and good governance to resolve the crisis over the 27th BCS examinations results.

The decision was taken at a regular meeting of council of advisers in the wake of the demonstrations of the candidates who came out successful in the 1st phase results but were dropped from the list of successful candidates as per 2nd phase result.

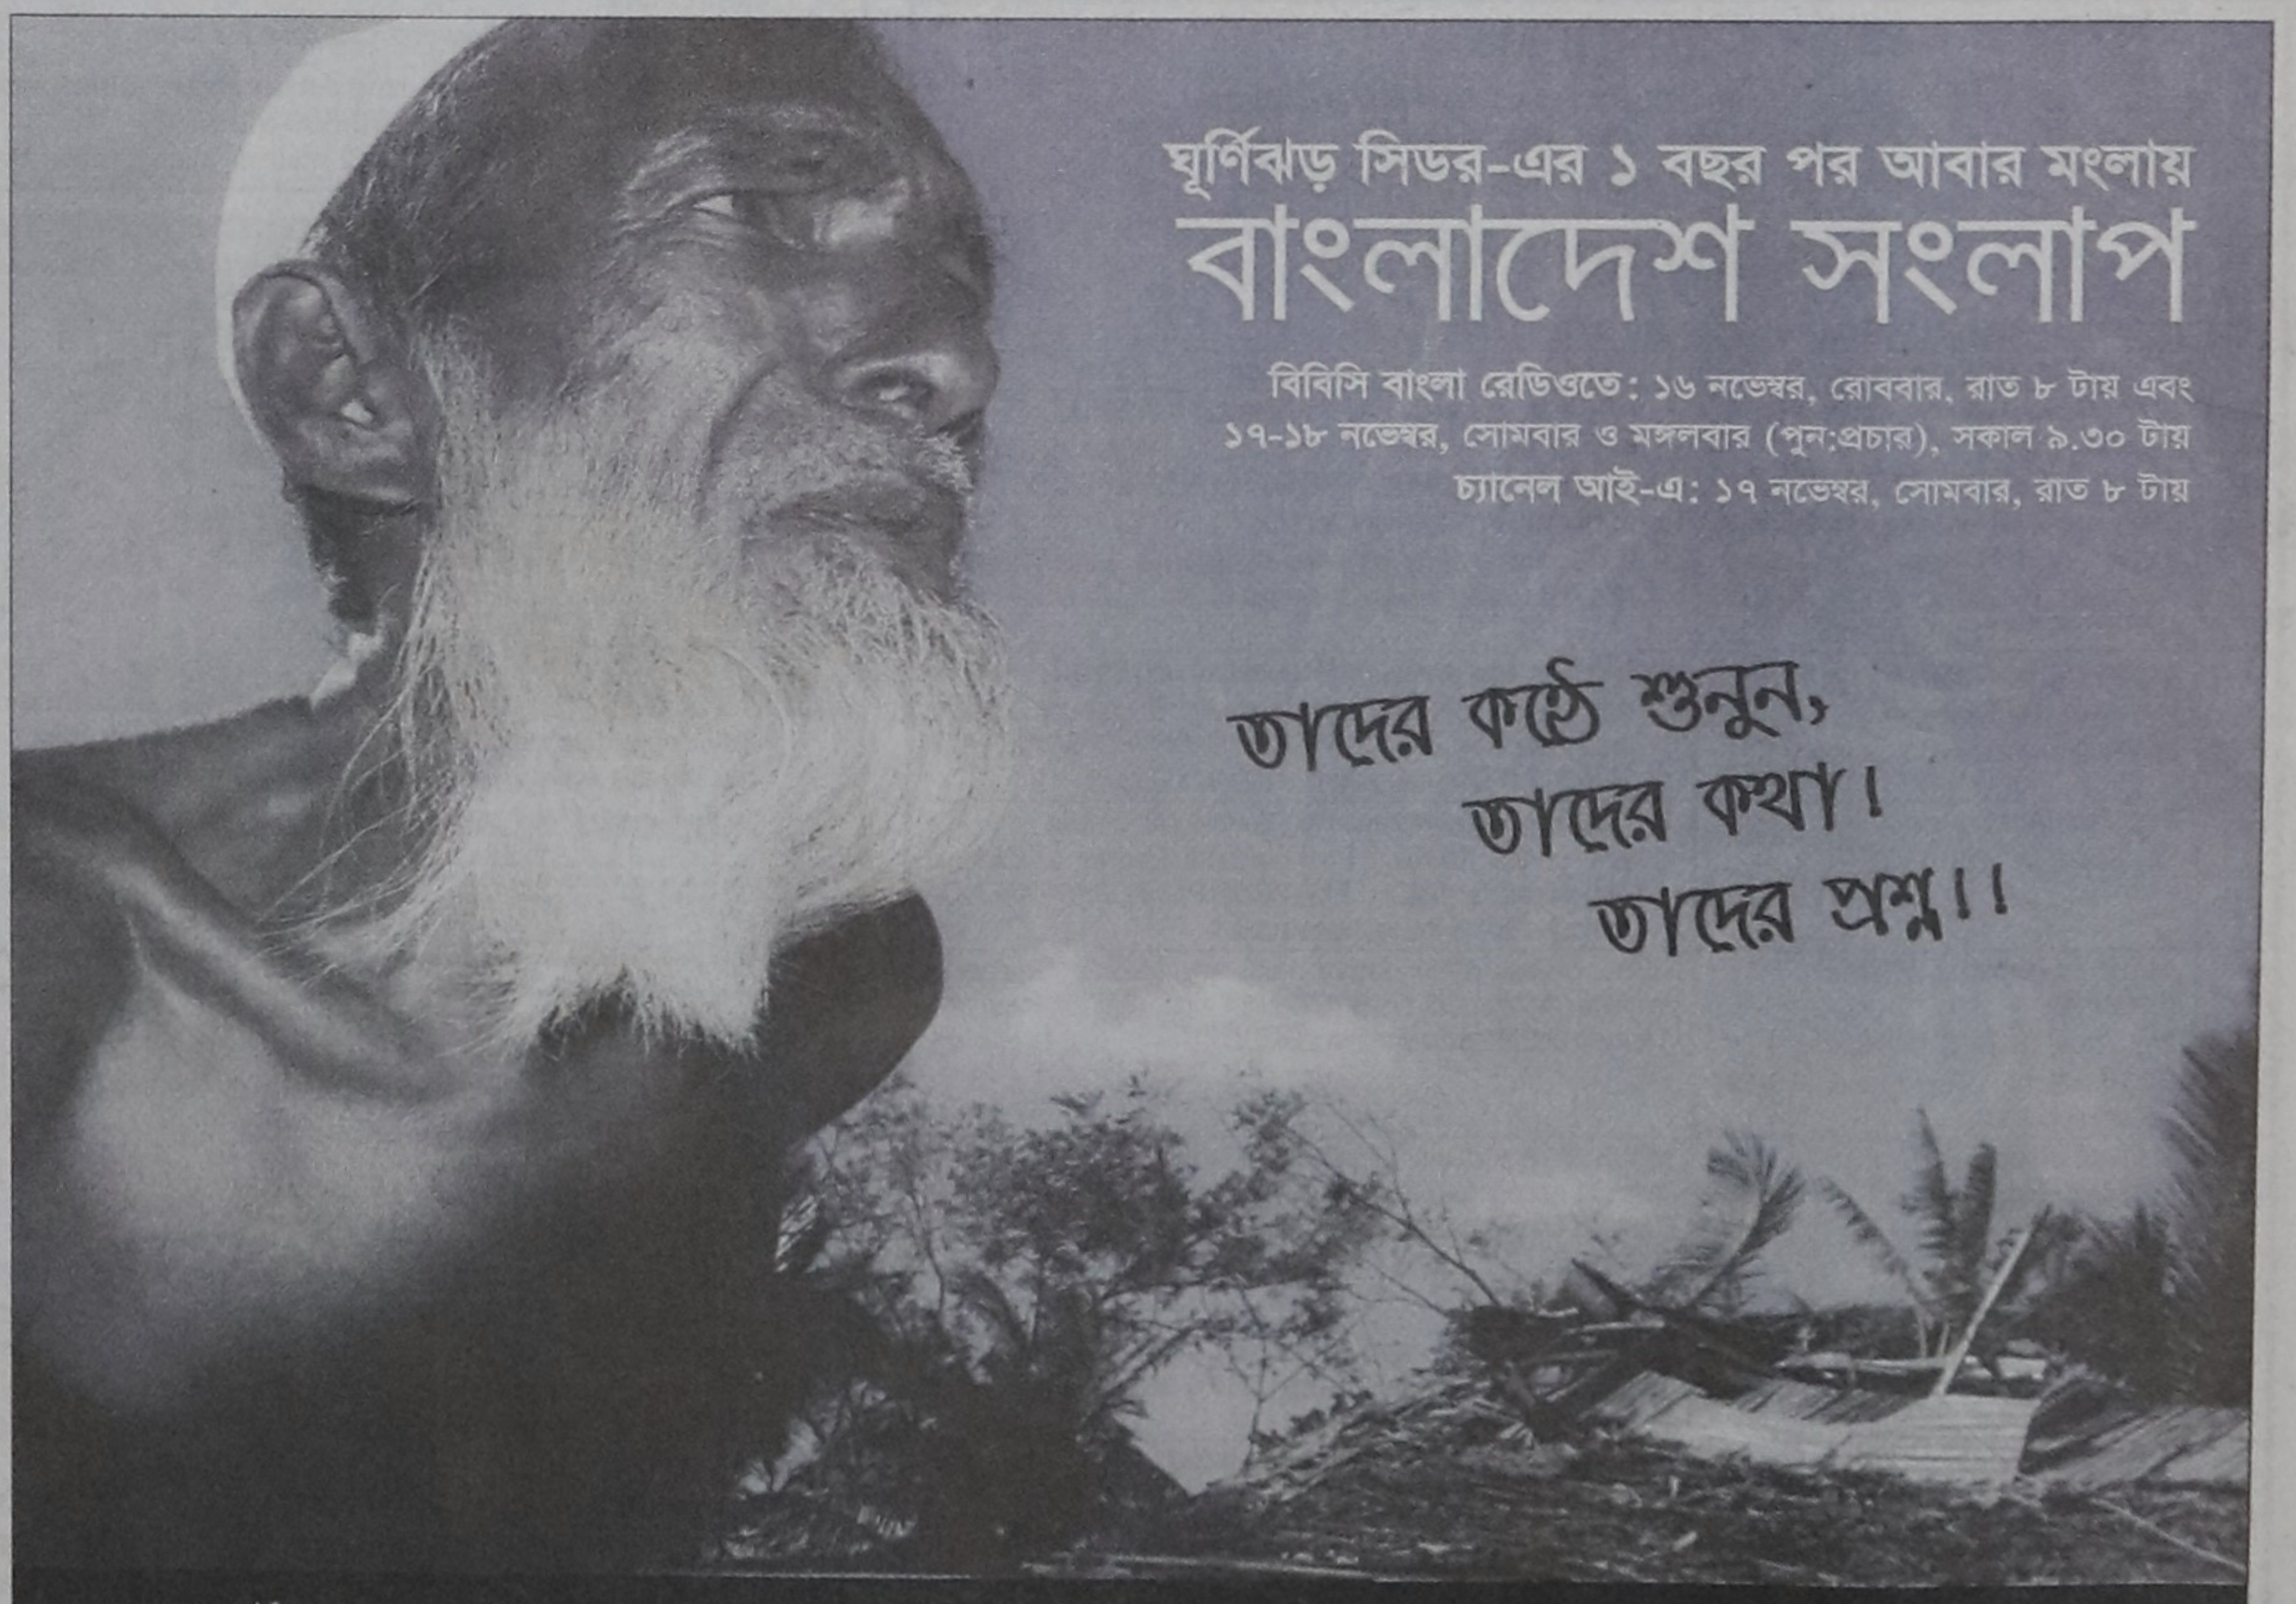

Sources said council of advisers, special assistants and press secretary to the CA and cabinet secretary were present at the meeting with Chief Adviser (CA) Dr Fakhruddin Ahmed in the chair at his office.

Earlier, the recommendations from the committee were taken in case of cancelling the 1st viva result of the exams. Opinions from the law ministry were also taken before sending the recommendations to the council.

Meanwhile, unsuccessful candidates in the 2nd phase result, who have been demonstrating for last one month demanding validity to the 1st phase result of the exams, yesterday staged a demonstration on the road in front of fine arts institute demanding their immediate appointment.

Candidates sat on the road when police intercepted their procession which was heading towards the CA office, creating an acute traffic jam in the adjoining areas.

Candidates from the spot threatened that they would declare the self-immolation programme again if the government does not take a positive decision on their appointment from the meeting.
