University Grants Commission of Bangladesh

29/1, Agargaon, Sher-e-Bangla Nagar, Dhaka-1207
Ref: UGC/HEQEP/AIFCom/2008 Dated: November 17, 2008

Request for Expressions of Interest (Eol)

for
Communication Specialist for AIF Promotion under

Higher Education Quality Enhancement Project

1. Background

The Ministry of Education with the support of the World Bank is in the process of launching a Higher Education Quality Enhancement Project (HEQEP). The project aims to strengthen higher education and research in Bangladesh through three major activities: (i) Promoting Academic Innovation (Component 1); (ii) Building Institutional Capacity of the University Grants Commission (UGC) and the Universities (Component 2); and (iii) Raising the Connectivity Capacity in the Higher Education Sector. A 4th component, Project Management, will be exclusively devoted to management, monitoring and evaluation of the whole project by establishing a Project Implementation and Management organ in UGC, known as HEQEP Unit, which, beside working as a cockpit for the project would do monitoring and evaluation, look after the financial management and procurement under all components of the project. The University Grants Commission of Bangladesh will be the implementing agency of the project. The estimated cost of HEQEP is Tk 68104.00 million (US\$ 91.8 million). The project is scheduled to start from January 2009 and close in December 2013.

Component 1: Academic Innovation Fund (AIF)

The general objectives of the AIF are to establish enabling conditions for promoting quality and relevance of teaching, learning and research and to introduce an efficient instrument for the allocation of public funds with emphasis on innovation and accountability. Its specific goals will be to produce advanced human capital in the form of highly skilled university graduates who would move the country towards higher productivity, economic growth and development.

As the AIF will introduce for the first time competitive procedures for all eligible public and private universities, some risks have been identified at the beginning of implementation that call for a well-designed promotion program for the different participating actors. The objectives of AIF promotion program are to: (i) inform and sensitise the academic community about the availability of the AIF for innovative activities; and (ii) disseminate the concept of, and procedures for, the AIF, and thus build and increase awareness about different aspects of the AIF among all key stakeholders so that they can effectively compete for the fund -- and make it work. Therefore, the UGC intends to hire the services of a communication specialist to implement the AIF promotion program.

2. Scope of Services of the Communications Specialist

- Prepare the plan and detail design of the Dhaka promotion program function;
- Prepare the detail design of the six regional AIF promotion interactive workshops;
- Assist the UGC and HEQEP Project Director in organising and holding of the promotion workshops with communication inputs and services;
- Prepare communications literature and materials for the promotion workshop participants;
- Prepare the budget of the promotion program;
- Prepare a report of the promotion program workshops after the conclusion of the events.

3. Work Arrangement

The AIF Communication Specialist will work at the HEQEP Unit with the project implementation team and maintain close interaction with UGC and the World Bank.

4. The Secretary, UGC now invites eligible applicants to indicate their interest in providing the services. Applicants are invited to provide information indicating that they are qualified to perform the services (Complete CV with expected remuneration). The Eol will be assessed for short-listing on the basis of qualification & experience as follows.

5. Qualifications and Experience

The AIF Communication Specialist will preferably be holding a post-graduate degree with demonstrated experience in mass communication or/and media studies and journalism. He will be required to possess the following:

- A post-graduate degree from a recognised higher education institution of the country or abroad in mass communication/journalism or in media studies and journalism;
- At least 10 years experience as a communications/media/journalism professional, with a minimum of 5 years in a position held in a reputed media/advertising/communications firm/organisation.
- Skills in developing communications literature/materials for dissemination among public;
- Possess skills in communicating with different categories of professionals/organisations and people;
- Ability to work independently in a team environment and under pressure;
- Possess report writing skills and ability to deliver them within a timeline;
- Basic computer literacy and knowledge of software and IT applications.

6. Duration of Service

The estimated duration of assignment is 6 months beginning from January, 2009 and extendable subject to satisfactory performance.

7. Detailed terms of reference (ToR) will be available upon request from the address provided below either through e-mail or in person during office hours on working days.

8. The consultant will be selected using the criteria for selection of individual consultant in accordance with the GoB's Public Procurement Rules, 2008.

9. Expressions of Interest shall be submitted on or before December 03, 2008 on workdays during office hours either in sealed envelope or through e-mail sent to secretary, UGC and be clearly marked "Expressions of Interest for AIF Communications Specialist".

10. The UGC reserves the right to accept or reject all Eols.
