## 'Tackle challenges posed by global climate change'

STAFF CORRESPONDENT

Different development organisations at a convention in the city

urged the government to tackle the challenges posed by global

climate change. The convention was held at the Central Shaheed Minar prior to UN Climate Change Conference being held at Poznan in Poland from December 1 to 12.

Campaign for Sustainable Rural Livelihoods (CSRL), a network of national, regional and international development organisations, urged the government to move forward towards an effective treaty to serve the interests of the developing

Expecting that the outcome of Poznañ conference would build momentum towards an agreed result at Copenhagen in December 2009, CSRL demanded of the rich countries to reduce emission of harmful gases by 40 percent within

With the slogan 'Stop harming. Start helping' the speakers at the convention also urged the developed countries to extend their helping hands to resource poor countries who would be the worst

parties to speak about their stand and strategies regarding fighting They also demanded technolagainst the odds of climate change ogy transfer to developing counin their election manifestos. tries for adaptation of climate

President of Karmojibi Nari change and adequate fund so that they can afford those modern Shirin Akhter presided over the convention which was also They also urged the political addressed by Hasanul Haque Inu,

president of Jatiya Samajtantrik Dal (JSD), Mahbub Hossain of Communist Party of Bangladesh (CPB), Dr Ahsan Uddin Ahmed of Centre for Global Change, AM Badrul Hasan and Sharmind
