Save the Children
USA

Save the Children envisions a world in which every child is ensured the right to survival, protection, development and participation as set forth in the United Nations Convention on the Rights of the Child.

VACANCY ANNOUNCEMENT

Save the Children USA, is the leading independent organization that creates real and lasting change for children in need in the United States and around the world, invites application from qualified and experienced candidates for the following positions:

1. Director- Health & Nutrition (01 position based in Dhaka)

As part of senior management team, this position is responsible for providing strategic leadership to maternal, newborn, child health and nutrition programs for bringing effective results. Major responsibilities include developing strategies & policies, designing programs & interventions, advocacy and fund raising, networking with key stakeholders including Government, NGOs, national, regional and international actors and representing at various levels. S/he will play key role in designing partnership strategies and building diversified collaborations. Providing technical leadership across programs to ensure highest standard of program implementation is also a key area. **Minimum Requirements:** Master degree in Public/International Health, 15 years of working experience in the field of maternal & child health programs, 5 years experience in senior management position with solid/visible contribution in strategic planning, policy and program development, excellent leadership, advocacy & interpersonal skills and technical skills on program designing, supervision, monitoring, evaluation and research are essential. Computer skills, excellent communication skills (both in Oral and Written) in English, and excellent presentation skills including policy briefing and skills on process facilitation are required. Advanced understanding on maternal & child health policy and programs, country situations, Government policies as well as Donor's perspective are key to this position.

2. Program Advisor - Livelihood (01 position based in Dhaka)

This position will be responsible for strategic planning and leading Livelihoods projects/activities and integrating livelihood issues to other programming of the Agency. Major responsibilities include providing strategic guidance during program planning and project designing; promoting sectoral integration of livelihood with other aspects of Save the Children programming; capacity building of staff, institutional counterparts and partners; developing and documenting guidelines, manuals, other resources to guide field staff and partners; collecting and sharing new documentation and resources; preparing and disseminating informational and promotional materials. **Minimum Requirements:** Master degree in relevant field with 10 years of relevant working experience with at least 4 years experience in leading position with good knowledge on Livelihoods, strong analytical and conceptual skills for strategic planning & evaluating program and advocacy options, experience of representation at senior level, excellent verbal and written skills (both English and Bangla) are essential requirements for the position.

3. Program Manager (01 project based position in Barisal)

This PepsiCo 3-year project based position will be responsible for the overall technical and programmatic management including providing leadership in the planning, implementation, documenting, monitoring and evaluation of all program interventions. The goal of the program is to improve Child Health, Nutrition and Household Food Security in two southern districts of Bangladesh. S/he will be responsible for managing budget and staff in addition to timely reporting to Donor. Maintaining relationships with GoB, Partners and other stakeholders are key to this position. **Minimum Requirements:** Master Degree in any relevant subject, 10 years of working experience in planning, and managing development programs preferably Livelihood and/or Nutrition with any large development organization, hands-on experience in Partnership Management, capacity development, excellent staff and budget management skills, proficiency in MS Word, Excel and PP, readiness to travel to field areas are some of the essential requirements for the position.

4. Deputy Program Manager - Enterprise Development (01 project based position in Barisal)

This PepsiCo funded 3-year project based position will be responsible for ensuring the overall implementation of the livelihood activities at field to meet program goals and objectives. The goal of the project is to improve Child Health, Nutrition and Household Food Security. Major responsibilities include providing technical expertise and guidance during program strategy development and planning; promoting integration of livelihood activities with other aspects of Save the Children programming in the same area; carrying out researches; maintaining close liaison and functional networking with relevant partners; designing and delivering training sessions on a range of livelihoods, micro-enterprise and income generation programming and monitoring issues; developing and/or document guidelines, manuals and other resources to guide field staff and partners; assisting in the preparation and dissemination of informational and promotional materials on livelihoods initiatives. **Minimum Requirements:** Master Degree in relevant subject with 07 years of relevant working experiences including 04 years at management/supervisory level, sound knowledge on livelihood, hands-on experience in micro-enterprise and income generation, good networking and coordination skills, excellence in communication skills, ability to work under pressure and adverse situations and readiness to travel to field areas are essential requirements for the position.

5. Deputy Program Manager - Nutrition (01 project based position in Barisal)

This PepsiCo funded 3-year project based position will oversee all nutrition interventions under the program including overall management of operational research in terms of setting strategy, program planning & implementation and providing overall technical support to study team and interacting closely with the area team. Working in team, this position will coordinate and advocate nutrition issues at national level as well as at local GoB level. **Minimum Requirements:** Master degree in Nutrition/MBBS/MPH with 07 years of working experience including 03 years in nutrition field for child and maternal health, hands-on experience on operation research, good program management and supervision skills, curriculum development and training facilitation experience, networking and coordination skills, excellence in communication skills, ability to work under pressure and adverse situations and readiness to travel to field areas are essential requirements for the position.

6. Deputy Program Manager-Community Mobilization (01 position in SHIKHON project based in Dhaka)

SHIKHON is a 4 year Early Childhood Development and Primary Education project supported by EC. The position is responsible for smooth implementation of the project's community mobilization, advocacy and communication components and providing technical assistance to partner organizations. **Minimum Requirements:** Master Degree preferably in Education, 07 years of relevant working experience in the area of child education, hands-on experience in material development, training facilitation and working with partners and community groups, excellent interpersonal communication skills, willingness to travel extensively to field are essential requirements for the position.

7. Deputy Manager-Finance (01 position in HIV/AIDS program based in Dhaka)

The position is responsible for ensuring compliance with Donor policies and regulations, documentation and Partner monitoring. S/he has to initiate disbursement to sub-grantees, prepare periodical financial reports to Donors, GoB and Internal Management. The position will also build capacity of partners and staff. **Minimum Requirements:** Masters of Commerce in Accounting/Finance/Business Administration with additional professional certificates, 07 years of work experience with 03 years in relevant area preferably with any development organization, ability to work independently, strong analytical abilities and communication skills, proficiency in MS office especially with MS Excel, willingness to travel to field areas are essential requirements for the position.

8. Support Assistant-Mailing (01 position based in Dhaka)

This position is responsible for providing general administrative services especially on maintaining outgoing and incoming mails. **Minimum Requirements:** Bachelor degree, 03 years of working experience particularly in the field of postal/courier services, franking postal services, international and domestic mailing systems, and ability to work independently, excellent time management skills are some of the essential requirements for the position.

SC-USA offers very attractive and competitive salary and benefit packages. Candidates meeting the above requirements should send their Bio-Data mentioning two names of professional references along with a cover letter to The Director - HRD&M, Save the Children USA, House No. 1A(2), Road No. 91, Gulshan-2, Dhaka -1212 by January 18, 2009. Only short listed candidates will be invited for interview. Please write the position applied for at the top of the envelope. **Women are especially encouraged to apply.**
