National Leadership Development Seminar 2009

ON January 5 AIESEC Bangladesh organized a press conference sponsored by ACME Group of Industries. The National Leadership Development Seminar (NLDS) is one of the biggest and most important conferences in the calendar of AIESEC Bangladesh. National Leadership Development Seminar was a 4 day long seminar aimed at developing leadership skills and competencies of all AIESEC members in Bangladesh. The number of delegates present at the conference were about 200-250. These delegates were university students studying in programs like Business Administration, Economics, Computer Science and Engineering, Law, Electrical and Electronics Engineering, Media and Communications etc. The theme of National Leadership Development Seminar (NLDS) 2009 is 'Youth Towards Sustainability' and will be offering delegates from over 30 different countries. The conference will go on from January 7 to 10. The venue of the conference is Zastat Holiday Resort, Sylhet, Bangladesh. The agenda of the conference consists of various kinds of sessions such as AIESEC training, leadership development and management, sustainability, CSR. It will also focus on issue-based projects, which will solve various problems faced by the society such as, poverty, illiteracy, and HIV AIDS etc. One of the key aims of this conference is to enhance the skills and

competencies of AIESECers so that they become 'change agents' for the society. A team of international speakers will also be present to facilitate the conference.

Mr. Mohammad Rafiqul Islam, Director, Marketing & Sales, ACME laboratories Ltd. will be facilitating a session and Mr Asif Ainul Hoque, Head of HR, ACME Laboratories Ltd. will be present on January 9 during the seminar.

The partners for this event are Star Campus, Radio Foorti, Olympic Group, Nestle Bangladesh and Zastat Holiday Resort.
