Government of the People's Republic of Bangladesh
Secondary Education Quality and Access Enhancement Project
Ministry of Education
Directorate of Secondary and Higher Education
Shikha Bhaban, 2nd Block, 16, Abdul Gani Road, Dhaka-1000
Memo No: SEQAEP/Pro. S16/RH-20/2008/182
Date: January 12, 2009

Request for Expression of Interest

This Request for Expressions of Interest follows the General Procurement Notice (GPN) for the Secondary Education Quality and Access Enhancement Project that appeared in Development Gateway Market/Contract Number GPN-01 of February 26, 2008. The Government of the People's Republic of Bangladesh has received a credit in the amount of about US\$ 130 million equivalent from the International Development Association (IDA) toward the cost of Secondary Education Quality and Access Enhancement Project (Credit No. 4475-BD) and it intends to apply part of the proceeds to payments for consulting services to be procured under the project.

The services include:
S-16 Developing Reading Habit: start July 2009; finish December 2013 (tentative).

Objectives of the Service:
The overall objective of this assignment is to improve the quality of education in secondary schools by developing reading habit through a range of Bangla and English language books, coupling the program with other reading activities. The introduction of reading habit program at the school levels is also meant for inculcating long-term reading habit of the students and thereby nurtures all domains of the students.

Scope of the Service:
1. The proposed assignment would include the following activities but not limited to these:

- Operate in about 4,500 secondary schools in 122 upazilas in all the districts of Bangladesh except 3 hill districts.
- Operate in all the 65% of total schools (around 7000) in the selected upazilas, excluding those covered by other programs (i.e no overlapping) or those with better library facilities.
- Introduce general Bangla books reading program (age appropriate and in support of school curriculum).
- Introduce a new English language book reading program relevant to school age group, and
- Place emphasis on training of teacher-librarians.

2. The major activities in order to achieve the reading program are:

- Mobilisation of resources including staff,
- Training and orientation,
- Identification and selection of schools (school identification; data collection and assessment; organising motivational workshop; selection of schools),
- Organizer training
- Student motivation and member/reader selection,
- Distribution of program materials,
- Develop, print and distribute supportive materials (manual, leaf-lets etc),
- Book processing (book entry and jacking)
- Distribution of books,
- Book lending,
- Program monitoring, follow up and reporting,
- Student/reader evaluation (for assessing and awarding prizes),
- Prize distribution,
- Project evaluation (internal/formative),
- Support third party evaluation/assessment process.

The Project Director of SEQAEP now invites eligible consulting firms/organisation to indicate their interest in providing the services. EOIs should include brochures, description of similar assignments, experience in similar conditions, capability, availability of appropriate skills among key staff (in tabular form), availability of resources, and snapshots of relevant transactional experience. The EOIs would be evaluated on the basis of the following in case of association lead and associated firm will be evaluated:

- Registration of firm (copy of the registration/ incorporation certificate should be attached),
- Age of firm,
- Availability of key professionals (Experience in Reading Habit, Monitoring, Evaluation, Training, Awareness, Community Mobilisation in Education, Health or Agriculture Sector),
- Availability of resources (3 years audit reports, annual turn over etc. must be attached),
- Experience of the firm in similar task (Reading Habit, Library Operation and relevant to the proposed assignment),
- Experience of the firm in other works (in the area of Monitoring, Evaluation, Training, Awareness, Community Mobilisation in Education, Health or Agriculture Sector),
- Support services of the firm (Human Resource, Organogram, Transportation, Equipment etc).

Consultants may associate with international/national firms to enhance their qualifications, but should mention whether the association is in the form of a "joint venture" or "sub consultancy". In the case of an association, it is preferable to limit the total number of firms including their associates to maximum of four. A firm will be selected in accordance with the procedures set out in the World Bank's Guidelines: Selection and Employment of Consultants by World Bank Borrowers, May 2004 (revised October 2006). Interested firms may obtain further information at the address below during office hours, on all working days. Expressions of Interest (EOI) must be delivered to the address below by February 11, 2009.
