JOB VACANCY: COUNTRY DIRECTOR

An international public health management firm is recruiting a highly experienced country director to manage its operation in Bangladesh. The Country Director will lead a team of public health experts that provide technical assistance to the Government of Bangladesh and nongovernmental organizations (NGOs), as well as advise donors on commodity security and supply chain management. He/she will be responsible for planning, implementing and monitoring project activities, managing client relations, liaising with donors and stakeholders and reporting to and coordinating with project headquarters in Washington DC.

Qualifications and experience:

Minimum of ten years experience as a senior manager. The ideal candidate should have experience in managing a USAID-funded health/family planning/commodity management project in collaboration with the government of Bangladesh and NGOs. Strong communication skills necessary to succeed in work with USAID, the GOB, and other donors, Candidate must be proficient in word processing, and familiar with spreadsheets and email. Excellent written and oral communication in English and Bangla required. Self motivation, ability to work independently and good interpersonal skills for team building and working with government counterparts are essential.

Education: Advanced degree in public health, management, business administration or a related social science is required.

Attractive compensation package for the right person.

Interested candidates should email their applications to: countrydirector.bangladesh@gmail.com by 27 January 2009.

The application should include a cover letter, CV, names of

references, contact email address and phone numbers, along with a recent photograph of the applicant. Only short listed candidates will be called for interview.

Candidates should be under 28 years of age, having a BSc, preferably MSC degree, with an aptitude for selling O
