

INTERNATIONAL TENDER NOTICE FOR SUPPLY OF AERIAL PLATFORM TRUCK MOUNTED

Ref: 301972.115003 Date: 20 January 2009

KAFCO - Karnaphuli Fertilizer Co. Ltd., an international joint venture process industry producing Anhydrous Ammonia and Urea Fertilizer located near at Chittagong seaport in Bangladesh.

KAFCO intends to procure one unit of Aerial Platform, Truck Mounted on FOB or CFR Chittagong basis including commissioning of the same and training for the personnel through two stage bidding process for rescue operation for its plant.

Technical proposals are hereby invited from the eligible manufacturers or their distributors (home or abroad). Tender Documents for Technical Proposal will be forwarded to the interested bidders upon having their request on letterhead addressing to the General Manager, Procurement by courier or through facsimile at +880-31-610512 or +880-31-619081 or <Mahbub.Alam@Kafco.com> or <Marouf.Khan@Kafco.com> on/before 28 January 2009. Distributors must submit appointment letter of the manufacturer with the request.

Commercial proposals will be invited only from the technically qualified bidders. Required conditions for eligibility are stipulated in the Tender Documents. **KAFCO** reserves the right to accept or reject any or all Tenders without assigning any reason whatsoever.

Request for Expression of Interest (EoI) For Prequalification of NGOs / Community-based Civil Work Entities/ Construction Companies for the Construction of Core Family Shelters in Disaster affected areas of Bangladesh

The United Nations Development Programme (UNDP) with assistance from different funding agencies as well as utilising its own funds is currently planning to construct Core Family Shelters (CFS) in the Disaster hit areas. Accordingly, UNDP Bangladesh Country office hereby invites interested national/international construction companies, NGOs and other community based civil work entities to submit expression of interest to demonstrate that they are capable of constructing and delivering the CFS as per the prescribed designs and specifications.

The purpose of this initiative is to produce an official short-list of qualified construction companies, NGOs and other entities capable of constructing CFS in the disaster hit area which would be called upon to respond to emergency call by UNDP in similar types of work as and when required.

Each of the CFS to be constructed in the disaster affected areas has footprint of approximately 150 square feet. The CFS consists of a single room made up of pre-cast reinforced concrete columns, bamboo fences/brick-in-fill walls. The roof is to comprise timber trusses and CGI sheets. It is planned to award the works in various packages consisting of 200 to 500 core family shelters within each package. The construction period for each package would be approximately 5 months if the work starts in monsoon but 3 months if it is in dry seasons from the date of award.

The Prequalification Application document and Qualification Criteria are available at the UNDP website: www.undp.org.bd. Interested applicants are requested to download the prequalification application form from the website and submit the completed application form to the **UNDP Office Reception** in the lobby on the ground floor of **IDB Bhaban, Agargaon, Dhaka-1207, Bangladesh** no later than **Saturday, February 3 2009**. The completed applications should be placed in sealed envelopes marked with "Pre-qualification for Civil Work - Core Family Shelters" and addressed to Procurement Unit, UNDP Bangladesh.
