EWU faculty members win Best Paper Award

A paper titled 'Communication Skills of the Business Executives of Local Private Business Concerns in Bangladesh' coauthored by Dr. Nargis Akhter, Ms. Sardana Islam Khan and Mr. Kamrul Hassan has received the GBMF UN OMAHA Best Paper Award at the First International Conference of Global Business and Management Forum (GBMF-08). The conference was organized and hosted by Pearl School of Business (PSB), Gurgaon, India on 7-8 November, 2008.

The authors of the paper are all from the Department of Business Administration. At the Conference, the paper was presented by Mr. Kamrul Hassan, which was highly acclaimed by the evaluators. East West University had a very strong presence at the GBMF Conference. Six research papers, written by faculty members and students of EWU, were presented at the conference.

Star Campus Drishty Debate for Generation Next '09

HI everyone! Our annual inter-class debate competition entitled "Star Campus Drishty Debate for Generation Next '09" is about to start from the 28th of January 2009 in Chittagong Government High School and Mastermind International School. Last year, the competition was held within 6 prominent English medium schools of Chittagong. This year the competition will be much bigger than before. So hurry, contact us with a profile of your school. If we like it, we will come to your school. KAPLAN wholeheartedly supports the competition.
Contact: 01819 173472 (Bakul), 01819 821757 (Saif), 01732 509464 (Masud).

Spring semester begins at IUB

INDEPENDENT University, Bangladesh (IUB) organized a welcome ceremony on Saturday, 17th January 2009 at the Baridhara campus for the newly admitted students of the Spring 2009 semester. On the occasion, the premises, full to the brim by the new spring-faces truly wore a festive look with festoons and banners. Prof Bazlul Mobin Chowdhury, Vice Chancellor of IUB heartily welcomed the new students and thanked them for choosing IUB for changing and shaping their future as they have recently demonstrated their resolve for a change in our national life. He assured the students that IUB would do everything to ensure their dreams come true. Prof Omar Rahman, Pro Vice Chancellor spoke briefly on the distinctive nature of IUB education which places importance to professional education on the foundation of cross-disciplinary curricula on the model of the distinguished North American Universities.
