'KUETtheather' staged "Khoaijoler Badh" 26th November,2008. Tonni, Nupur and Orin participated in the choreography while Onik, Sobuj and Shohag were the three statues.

KUETtheather is a totally non-political, student oriented and the most successful club on the campus. 'Khoaijoler Badh' is not merely a play. It is an expression to the dream of our Liberation War that won us Bangladesh in 1971.
