## Government of the People's Republic of Bangladesh

Office of the Additional Chief Engineer, RHD  
Bridge Management Wing  
Sarak Bhaban, Ramna, Dhaka-1000

## Expression of Interest (EOI)

Memo No: 1-14/09-33-BMW Date: 21-01-2009

- The Government of the People's Republic of Bangladesh (GoB) has applied for a loan from the Japan Bank for International Co-operation (JBIC), presently Japan International Co-operation Agency (JICA) to finance the reconstruction/rehabilitation of a portion of selected bridges for the proposed Eastern Bangladesh Bridge Improvement Project (EBBIP). JICA portion of the project component consists of rehabilitation/reconstruction of selected 68 No. of bridges having span length of 30.00m and above on 12 Nos. of National and Regional Highways under RHD Road Network located on Eastern part of the country i.e. Dhaka, Comilla, Sylhet and Chittagong zones of RHD. A portion of the JICA fund will be spent for the consultancy services for Survey, Investigation, Design and Construction supervision of JICA portion of EBBIP. All payments for the consultancy services will be made both in local and foreign currency.
- The Roads and Highways Department (hereinafter referred to as the 'implementing agency') now invites Expression of Interest (EOI) from the reputed consulting firm/firms in single or joint ventures/association for short listing of the firm/firms for the consultancy services for detailed survey, investigation, design and construction supervision including Capacity Building Programme for Bridge Maintenance and Management System (BMMS) of RHD under the proposed project.
- The Roads and Highways Department (RHD) under Ministry of Communications (MoC), Government of the People's Republic of Bangladesh represented by the Additional Chief Engineer, RHD, Bridge Management Wing will be the 'Client' for the project till formation of Project Implementation Unit (PIU).
- As part of the services the consultant will:
  - Provide professional services required for survey, investigation and detailed engineering designs of 68 bridges, fixation of bridge and approach alignment, embankments, elevated sections, cuts and pavement structures, drainage, erosion protection, hill slide protection, intersections, while taking into account the traffic volumes and vehicles types those will use the road;
  - Prepare construction plan and schedule, cost estimate, pre-qualification, bidding and contract documents appropriate for competitive bidding;
  - Assist in tendering which will include assistance in selecting contractors for 4 Nos. of contract packages;
  - Conduct construction supervision of 4 Nos. of contract packages and do environmental monitoring and mitigation measures, which are required to be undertaken during construction;
- Capacity Development Programme for Bridge Maintenance and Management System (BMMS) of RHD will include preparation of comprehensive Bridge Condition Survey (BCS) Form, will conduct a nationwide Bridge Condition Survey to prepare a BMMS Database, will conduct Training Courses on Bridge Condition Survey (BMMS) and Bridge Inspection and Maintenance for Divisional/Sub-divisional Engineers, will prepare a Bridge Inspection Manual and Bridge Maintenance Manual and will establish Bridge Database Updating System;
- Prepare BOQ of the project;
- Prepare Revised Draft DPP of the project if required;
- Assist RHD for the preparatory works of land acquisition and resettlement plan;
- Assist in the preparation of the Progress Reports and Project Completion Report, Budget Report and other related operations for securing sufficient fund for Operation and Maintenance (O&M) of bridges;
- Provide all the necessary support of RHD concerned in implementing the project.
- Selection will be made in accordance with the 'guidelines for the employment of consultants under the JICA ODA Loans, October, 1999.
- The client will conduct the short-listing of interested consultant firms for the above-mentioned consultancy services. The firm must have previous experience of rendering consultancy services for detailed survey & design, preparing pre-qualification, bidding documents and construction supervision of at least 10 Nos. of 2-lane Highway Pre-stressed Concrete Girder Bridges (Single or Multi-span) having span length 30.00m and above (in a single or more road sector project) within last 10 years. All machineries and equipments relevant to the service must be arranged by the consultants. Firm's having capacity building expertise personnel about Bridge Maintenance and Management System (BMMS) will be given preference. The EOI should specially include:
  - Background of the firm(s) (limited to one page);
  - General and overall experience of the firm(s) (limited to one page);
  - Summary of similar projects undertaken (limited to three pages) during last ten years;
  - Summary of permanent professional employees with key qualification and experiences;
  - Summary of the temporary professional employees with key qualification and experiences;
  - Summary of the capacity building expertise about BMMS (if available).
- Interested reputed consulting firm or firms in single or joint ventures are being invited to submit their EOI for short-listing. For single participation, the firm must have previous experience of rendering consultancy services for detailed survey & designs, preparing pre-qualification, bidding documents and construction supervision of at least 10 Nos. of 2-lane Highway Pre-stressed Concrete girder bridges (single or multi-span) having span length 30.00m and above (in a single or more road sector project) within last 10 years. In case of Joint Venture Consortium Association (JVCA), the lead firm must have experience of at least 5 Nos. of 2-lane Highway Pre-stressed Concrete Girder Bridges (Single or Multi-span) having span length 30.00m and above (in a single or more road sector project) within last 10 years. For JVCA, the associate firm must have previous experience of rendering consultancy services for detailed survey & designs, preparing pre-qualification, bidding documents and construction supervision of at least 1 No. of 2-lane Highway Pre-stressed Concrete Girder Bridges (Single or Multi-span) having span length 30.00m and above (in a single or more road sector project) within last 10 years. Joint ventures will not be more than three partners (one lead partners + two partners).
- With all supporting documents, the EOI must be delivered at or before 12.00pm on 23/02/09, in sealed envelopes, marked with 'EOI FOR EASTERN BANGLADESH BRIDGE IMPROVEMENT PROJECT (EBBIP)' to the signatory addressed and any late submission will be returned (unopened).
- The request for proposal is expected to be issued to the short listed firm/firms by April, 2009. The employer will not be responsible for any costs or expenses incurred by the firm/firms in connection with the preparation or delivery of the EOI.
