

Elevating Life...

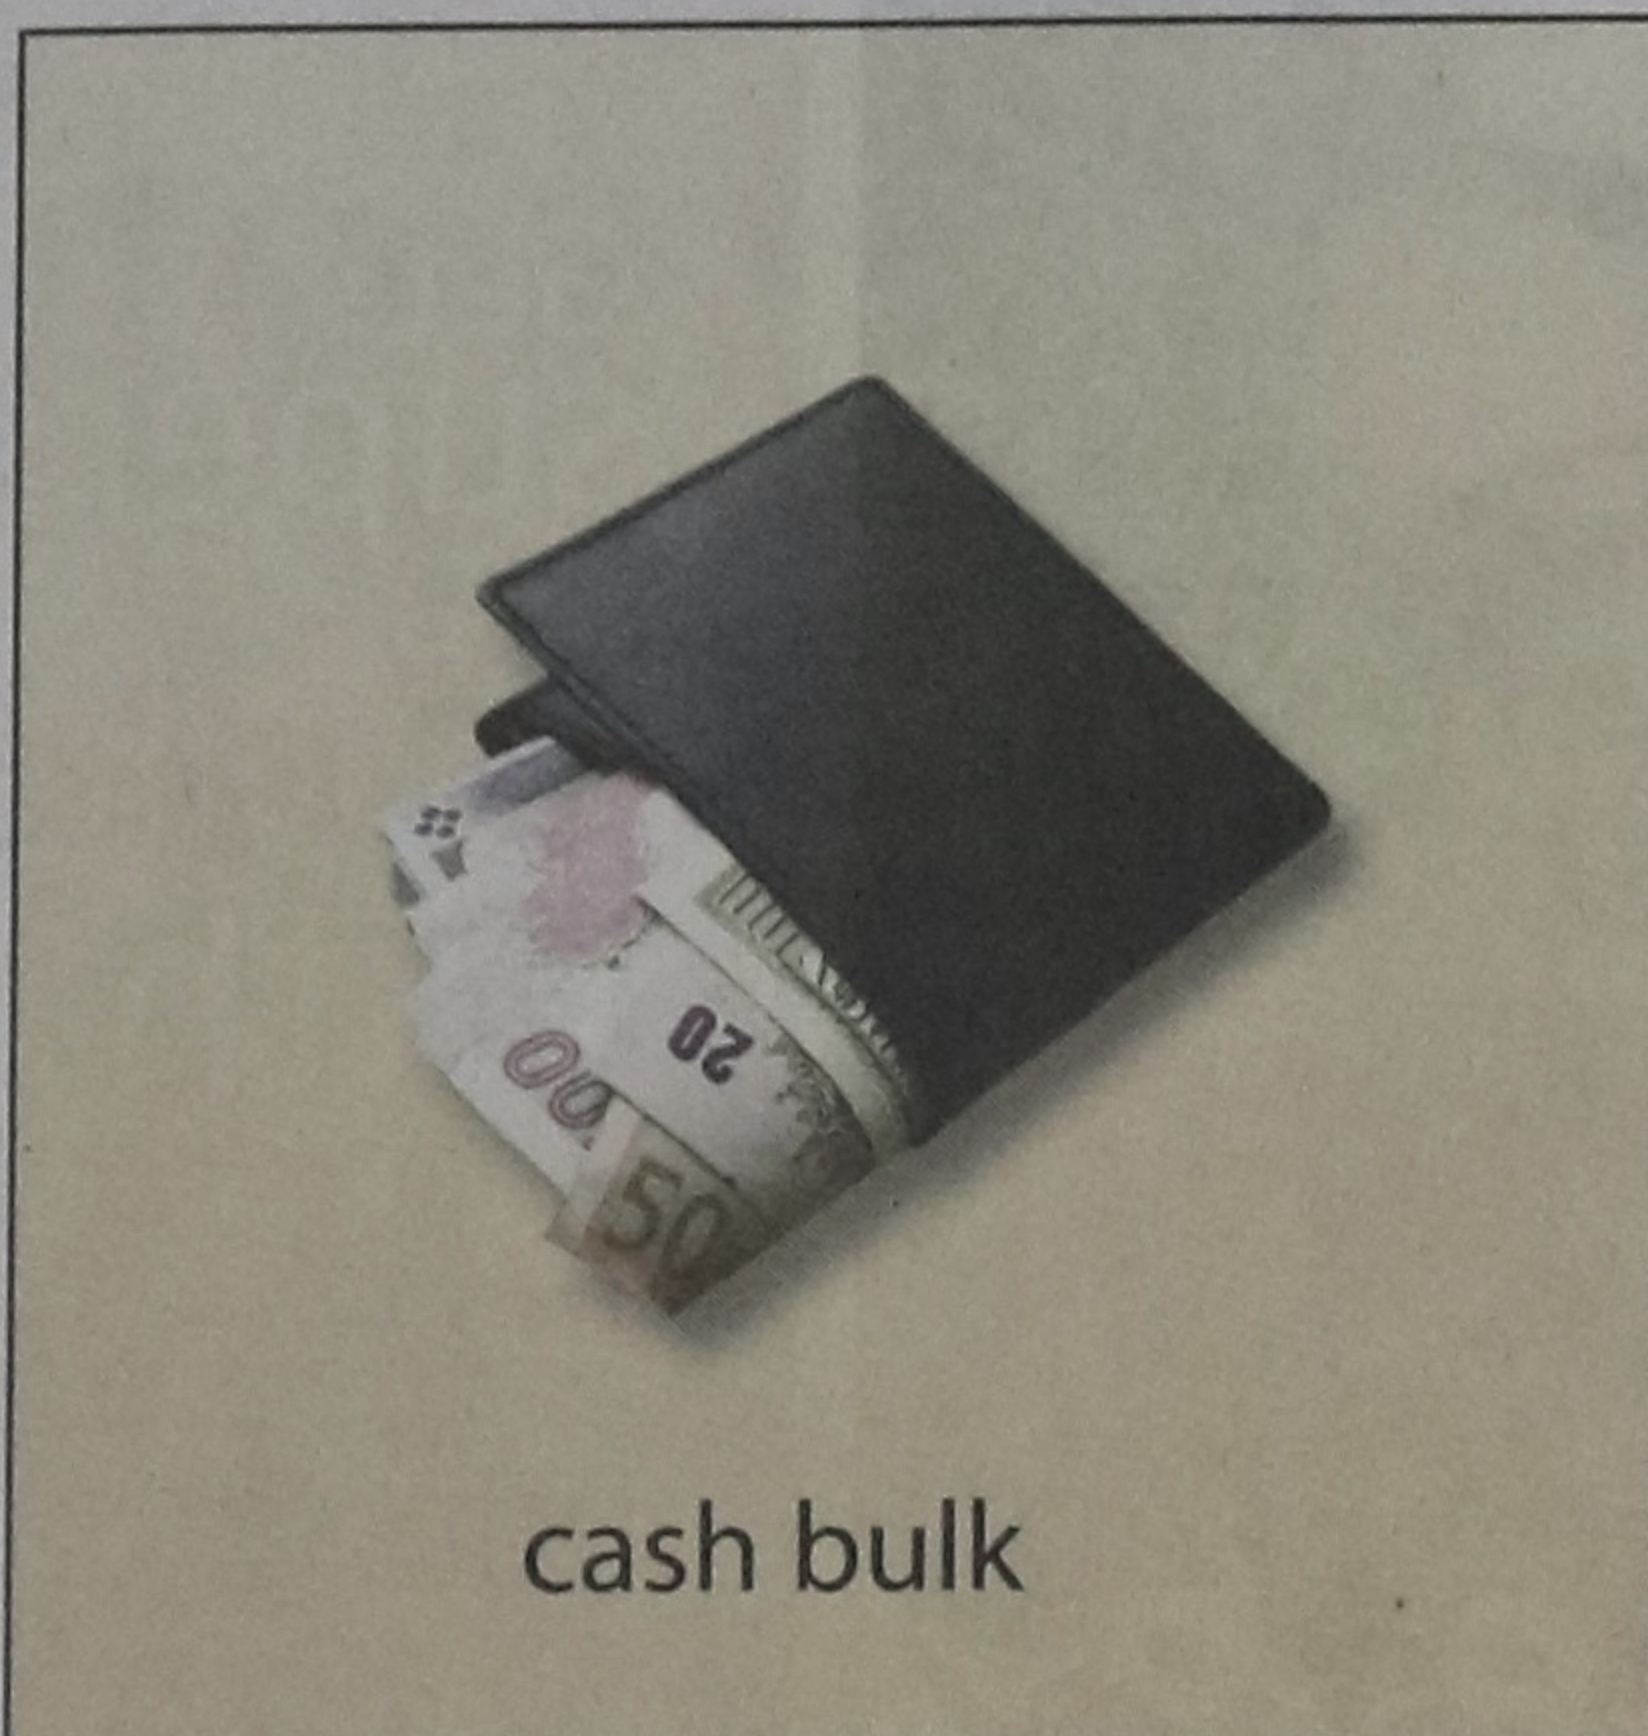

SME small is BIGGER

SME is the best kept secret for happening success and prosperity in over populated countries like Bangladesh. This can change the lives of marginal people and adds dimensions to their lifestyles.

NCC bank knows that together all the small steps brings a bigger result and hence NCC bank has been encouraging SME entrepreneurs as part of its continuous commitment of making lives of millions better and better.

And, has taken another leap by introducing the **SME service centers** at various strategic locations to cover the country gradually.

We welcome you at our SME service centers.
