## Sixteenth century ivory in Manikchhari

Until now the tusks were under the possession of Unika Devi, daughter of the late Mong King Mong Prue Chaine.

JASIM MAJUMDER, Khagrachhari

Two ivory tusks, dating back to the 16th century, have been found at the Mong Raja's residence under Manikchhari upazila in the hill district Khagrachhari.

The ivory give insights into the life styles of the Mong King and his family. Until now the tusks were under the possession of Unika Devi, daughter of the late Mong King Mong Prue Chaine, who passed away in 1991, said sources.

While asked to comment, Rajib Roy, husband of Unika Devi, told this correspondent that the tusks were the second largest found in the sub-continent. He pointed out that the largest ivory tusk belonging to Tipu Sultan measured at 18 feet.

Mentioning presidents and government high-ups who visited the Mong King's residence, Roy said that quite a few had expressed their desire to take the ivory tusks back with them. "However we put up a stiff resistance as we take pride in these ancient remains which attract many tourists," he concluded.

## Samuel L. Jackson's Fury in flurry of Marvel films

The actor, who just weeks ago was seemingly on the outs with the studio over reprising his role as Nick Fury, agent of spy outfit S.H.I.E.L.D., in the "Iron Man" sequel, has signed an unprecedented nine-picture deal to play the character in a series of Marvel movies.

In addition to "Iron Man 2," scheduled for release next year, the movies include "Thor," "Captain America," "The Avengers" and its sequels. Also on the table is the possibility of starring in a "S.H.I.E.L.D." movie, which is in development.

Jackson made a surprise appearance

as Fury at the end of the first "Iron Man," throwing geeks into a tizzy and showing the first glimpse of Marvel's plan to link all their slate of movies into one filmic universe.

Jackson and Fury were expected to be part of the sequel, but as Marvel negotiated with its cast, deals proved hard to come by. Terrence Howard was replaced by Don Cheadle. Mickey Rourke still doesn't have a deal for the part of a villain despite almost two months of negotiations.
