BRITISH COUNCIL Education UK
Achieve your goals

Study in the UK

We are pleased to announce that the University of Nottingham's representative, Matthew Elliott, will be advising prospective applicants and school counsellors at the British Council offices in Dhaka.

School counsellors are invited to come to the offices on 11th March at 11:00. A presentation will be given on applications for entry, including advice on: the UCAS application system, writing personal statements and writing references.

Potential applicants are also invited to attend on 11th March between 13:00 and 17:00 for advice about applications, qualifications and for scholarships advice. Appointments are advisable - please e-mail: matthew.elliott@nottingham.ac.uk

Find out more about the University of Nottingham's flagship 'Developing Solutions' scholarships - 60 new tuition fee scholarships of 25% for masters students with September 2009 entry. Key subject areas include: Environment, Health, Technology (incl. Engineering), Food.

Eligible candidates must be holding an offer of study at The University to be considered for a scholarship award.

For further details visit: www.developingsolutionscholarships.co.uk
A number of further scholarship opportunities are available at undergraduate and PhD levels, see: www.nottingham.ac.uk/international/scholarships_and_finance/

Those unable to attend on the 11th can meet us by attending the Education UK Exhibition, The Sheraton Hotel, 1 Minto Road, Ramna, Dhaka on Sunday 8 / Monday 9 March 2009, 1100 - 2000.

DFID Department for International Development
An Equal Opportunity Employer

Vacancy Announcement
Software Support and Development Manager
Department for International Development Bangladesh (DFIDB)
DFID Bangladesh is responsible for managing the UK's development programme in Bangladesh, the main aim of which is the elimination of poverty. In addition, we are setting up a small support team to provide software support and development services to the rest of DFID, working as part of the Information Systems Department (ISD). We now have a vacancy for a **Software Support and Development Manager (Sub Band B1)**.

- BACKGROUND:**
The Application Development team within ISD is responsible for the development and support of a wide range of core business applications for DFID, including Finance, Project Management, HR and Knowledge and Information Management systems. DFID has a mix of both commercial and bespoke systems and operates an agile development methodology.
- RESPONSIBILITIES:**
The successful candidate will manage the day-to-day activities of the Bangladesh development team responsible for the support and maintenance of existing systems across the whole of DFID and for the development of new system components. The post holder will work closely with counterparts across the Application Development team and the ISD Service Desk. Reporting to the Application Support Manager in the UK, the Support and Development Manager will:
- Manage and co-ordinate the work of the Bangladesh development team ensuring that all DFID management procedures are followed and that staff in the team are informed and receive support for personal and job related development in accordance with DFID's Investors in People principles.
 - Establish the working practices for the Bangladesh development team in conjunction with the Head of Application Development.
 - Ensure support calls are logged/updated on the Service Desk system and responded to within agreed Service Level Targets.
 - Use the formal change control procedures to submit and manage change requests.
 - Maintain and further enhance existing DFID applications.
 - Develop new applications using web-based technologies, translating functional requirements into technical designs.
 - Complete testing to agreed standards and introduce to live operation in accordance with DFID's change control procedures.
 - Prepare user guidance/release notes for system changes.
 - Maintain technical documentation, ensuring it is updated to reflect any changes.

PERSONAL SKILLS:
Candidates should have excellent skills in spoken and written English and Bangla. The selected candidate will be assertive, a self-starter and have excellent organizational, management, communication, inter-personal, analytical and judgemental skills. The post holder will be expected to complete an intensive 2-3 months induction and training programme in the United Kingdom.

QUALIFICATIONS AND EXPERIENCE:
The candidate must be a Graduate, with at least a BSc in computer science or related subject. A minimum of two years systems application development/support experience across the full lifecycle is required. The candidate must have a working knowledge of service delivery management, experience of web-based development technologies and relational databases, including Microsoft development tools and technologies (including Visual Studio, ASP.NET).

CONTACTS AND COMMUNICATIONS:
The selected candidate will be awarded a permanent contract, subject to satisfactory performance during a probationary period. A competitive salary starting at BDT 100,473 per month, with annual progression, plus a benefit package, will be offered. For an application form, please go to the website www.eshna.com

Completed application forms along with a CV should be returned to **Eshna Consulting Team Ltd, House 30 (new) 132 (old), Road 3, Dhanmondi R/A, Dhaka 1205 no later than 15:00 hours on Thursday 26 March 2009**. Selection is on merit although the candidate will need to hold Bangladeshi citizenship or have a Bangladesh work permit. Applications are welcome from all ethnic groups, women and disabled people.
