PRICE Poverty Reduction by Increasing the Competitiveness of Enterprises

EMPLOYMENT OPPORTUNITY
Leather Sector Team Leader

The USAID-funded **PRICE (Poverty Reduction by Increasing Competitiveness of Enterprises)** project seeks applications for the position of **Leather Sector Team Leader**. This is a long-term senior management position based in Dhaka and requires travel throughout Bangladesh.

PRICE works with the Government of Bangladesh and with private sector firms to alleviate constraints hindering the competitiveness of the aquaculture, horticulture and leather products sectors. PRICE encourages broad-based economic development in these three target sectors by working throughout the value chain to improve competitiveness while simultaneously engendering a higher than average rate of income growth among the low income target groups associated directly and indirectly these sectors.

Responsibilities: The Leather Sector Team Leader will be responsible for developing and implementing an effective strategy to improve competitiveness, job creation, investment and sales in the Leather sector. For that purpose (s)he will manage a team of long term and short term experts, as well as coordinate efforts with public and private stakeholders. The Leather Sector Team Leader will work with the Chief of Party and other staff and will be part of PRICE's senior management team.

Compensation: A competitive remuneration package will be offered to the selected candidate.

Qualifications required:

- Masters degree in business management, commerce, agribusiness or a related field.
- Minimum 15 years of relevant experience, including 8 years of private sector experience and five years of supervisory experience.
- At least 10 years experience in the Leather sector.
- Ability to effectively communicate with both public sector and private sector stakeholders.
- Fluency in written and verbal English.
- Command of Microsoft Office (Word, Excel, Power Point, etc).
- Demonstrated planning, facilitation, interpersonal and supervisory skills.
- Commitment to excellence, teamwork, respect for people, leadership and integrity.
- Strong networking skill in private sectors.
- High level of integrity in business behavior.

Interested candidates are invited to send electronic CV and a cover letter with position title to recruitment@price-bd.com by April 6, 2009, referencing "Leather Sector Team Leader" in the subject line. Only short-listed candidates will be contacted.

PRICE Poverty Reduction by Increasing the Competitiveness of Enterprises

EMPLOYMENT OPPORTUNITY
Horticulture Sector Team Leader

The USAID-funded **PRICE (Poverty Reduction by Increasing Competitiveness of Enterprises)** project seeks applications for the position of **Horticulture Sector Team Leader**. This is a long-term senior management position based in Dhaka and requires travel throughout Bangladesh.

PRICE works with the Government of Bangladesh and with private sector firms to alleviate constraints hindering the competitiveness of the aquaculture, horticulture and leather products sectors. PRICE encourages broad-based economic development in these three target sectors by working throughout the value chain to improve competitiveness while simultaneously engendering a higher than average rate of income growth among the low income target groups associated directly and indirectly these sectors.

Responsibilities: The Horticulture Sector Team Leader will be responsible for developing and implementing an effective strategy to improve competitiveness, job creation, investment and sales in the Horticulture sector. For that purpose (s)he will manage a team of long term and short term experts, as well as coordinate efforts with public and private stakeholders. The Horticulture Sector Team Leader will work with the Chief of Party and other staff and will be part of PRICE's senior management team.

Compensation: A competitive remuneration package will be offered to the selected candidate.

Qualifications required:

- Masters degree in business management, commerce, agribusiness or a related field.
- Minimum 15 years of relevant experience, including 8 years of private sector experience and five years of supervisory experience.
- At least 10 years experience in the horticulture sector.
