Employment Opportunity

The subsidiary company of an international practice of economics and business consultants founded in London puts great emphasis in selection & development of its human resources. The bulk of the company's work is financed by the leading international development agencies, including the ADB, DFID, IFC, WB, UNWFP and the IDB. To meet its requirements, the company seeks to recruit some smart, dynamic, enthusiastic, hard working, self-driven and pro-active candidates for the following positions to join in its dedicated team:

Communication Specialist (1 post - 60 Person-months)

- Post graduate degree in Economics, Communication, Political Science, MBA, Public Administration, and Management and/or in other Social Science subjects from a recognized University;
- At least 10 years experience in public administration, management, communication, governance and development including policy analysis and policy reforms;
- Should have in-depth knowledge of Bangladesh development issues and of key bottlenecks involving governance and corruption in public service delivery systems;
- Experience in preparing communication/behavioral change strategy including implementation of the strategy.

Training Specialist (1 post - 60 Person-months)

- Post graduate degree in Development Economics, MBA, Public Administration, Management or Business Studies and other relevant subject from a recognized University;
- Should have about 5 years experience on providing training to multiple teams with substantial background on development of relevant training material and programs;
- Strong leadership and team management skills;
- Should have strong links with key stakeholders across the government and international donor agencies.

Network, Database and Internet Administrator (6 posts - each 60 Person-months)

- Should be graduate/post graduate degree in information technology from a recognized University;
- Should have at least 10 years practical experiences in IT/ICT field and IT/ICT management, software development and maintenance of ICT, database creation & maintenance and maintenance experience of IT system/Internet;
- Must have at least 50 words per minute typing speed with 99% accuracy.

Business Development Manager / Economist (1 post)

- Post graduate degree in Economics and MBA though professional qualifications will be considered;
- At least 10 years demonstrated experience in managing business organisations/ projects and working in, or with, GOB, NGO, private sectors and donor organizations or abroad;
- Excellent analytical skills with high order focus on business issues and robust financial management skills;
- Proven ability to interface with a range of stakeholders, including GoB, Donors, and private sector partners;
- Experience in contract management, team building, proposal writing and understanding of contracting process.

Office Manager (1 post)

- Post graduate degree in English/Public Administration/International Relations or MBA from a recognized University;
- Minimum 7 years of working experiences in the development field having substantial project management knowledge, be able to quickly understand technical & financial aspects of projects;
- Must have proven track record of success with the ability of influencing senior management on administrative issue.

Project Accountant (1 post)

- Post graduate degree in Commerce from any recognized university with preferable CA/CIMA/ACCA partly qualified;
- Minimum 2 years relevant experience in donor agency or donor funded project or multinational organization;
- Must have sound knowledge in computer based accounting packages;
- Must have proven track record of success with the ability of influencing senior management on administration, finance and accounts related matters.

Communication and Information Officer (1 post - 18 months renewable)

- Formal higher degree in Communication, Media or any related field;
- Creativity, time management skills, and a good sense of humour are must.
- 3 years or more experience in communication roles (website maintenance, newsletter, event management and media relations). (Job description for this position is available in www.prosperprogram.org)

Other Requirements:

- Computer literacy, including knowledge of Microsoft Office (outlook, excel, word, power point, etc.) and internet;
- The candidates should ideally have a strong personality and staff supervision and monitoring experience;
- Strength in English & Bangla in verbal and written communication skill;
- Ability to work under pressure, minimum supervision, extend hour and meet deadlines.

Remuneration:
 The company offers attractive salary and festival bonuses, gratuity, group life & hospitalization insurance coverage, annual leave entitlement, congenial working environment and progressive career path to the deserving candidate.

How to apply:
 A cover letter stating the position, complete CV, recent passport photograph and names of two referees of interested candidates, matching with above respective specific and other requirements, should reach to **Box # A-34, Daily Star, 19 Karwan Bazar, Dhaka-1215** or e-mail to info@maxwellstamp.com within 16th April 2009. Please mention the desired position on top of the envelop or subject field of e-mail. Persuasion in any form will disqualify the candidate.
 All of the above positions are Dhaka based. Spouse and dependants of international experts working in Bangladesh are encouraged to apply. Only short listed candidates will be called for interview. Where qualification, experience and skills are equal, preference will be given to female candidates for the interest of gender balance in the team work.
