BANGLADESH BANK
CENTRAL BANK STRENGTHENING PROJECT
Request for Expressions of Interest (Individual)
For Selection of
International Expert: IT Program Manager

The Bangladesh Bank intends to procure information systems under the Central Bank Strengthening Project (CBSP) funded by IDA for automation of its functions. The information systems is in the process of procurement in six different packages, which will ultimately be integrated into a single information system through a system integrator. The automation project is being implemented under the following components for which independent procurement is envisaged: (1) Standard Hardware and Software (2) LAN, WAN (using VSAT, DDN and Fiber), Intranet, Network Management and Electrical Systems (3) Enterprise Resources Planning (ERP) Solution (4) Online Banking Application Solution (5) Online Credit Information System Solution (6) Data Warehouse Solution.

Bangladesh Bank now requires the service of an IT Program Manager to provide independent support to BB in Information Systems project management funded by IDA during the life of the project. The incumbent will be based in the Head Office of Bangladesh Bank and would work with the implementing authorities of the project.

The principal objective for the consultant is to provide independent support to BB in its endeavour to implement the above packages. The consultant should help BB to deal effectively with the contractors with regards to the project implementation, project evaluation and assessment of project milestones, testing, trouble-shooting, project risk mitigation and other specialized areas. Project Management Training will be an important responsibility of the consultant, in the whole range of management for ICT projects.

Prospective consultants should have minimum graduate degree in Engineering (Computer/Electrical) or in Computer Science, Economics, Physics, Business Administration, Statistics, MIS, Commerce or equivalent; and should have at least 15 (fifteen) years experience in ICT project management in large IT systems of commercial, financial, government, multinational companies and international organizations. The consultant should have good grasp of technical concepts and have good all-round experience in project management and implementation support, particularly in project launching and in developing an effective framework for monitoring and keeping the project on track.

The Bangladesh Bank now invites eligible individual consultants to express their interest in providing the services. Interested consultants should provide information indicating that they are qualified to perform the services (CV should include - description of similar assignments, experience in similar operating conditions, skills of the individual, etc).

The individual consultant will be selected in accordance with the procedures set out in the World Bank's Guidelines: Selection and Employment of Consultants by World Bank borrowers, January 1997 (revised September 1997, January 1999 and May 2002). Interested candidate may obtain further information including TOR at the address below from 0900 to 1700 hours.

Expressions of Interest shall be submitted in sealed envelope, delivered to the address of the undersigned by May 07, 2009 and be clearly marked "Expression of Interest for Central Bank Strengthening Project-IT Program Manager".

Attractive remuneration/compensation package will be provided which is negotiable.
