Environmental Innovation

INVERTER

ENVIO's Inverter offers an impressive 50%* reduction in electricity consumption by regulating compressor speed to deliver just the right amount of cooling power without compromising comfort.

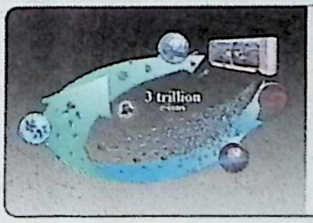

*1.5HP Inverter and Non-Inverter comparison.

Eco-Inspired Design

Made stylish with a sleek, curved front, the new ENVIO complements any room interior. With recyclable materials and energy-efficient features, the ENVIO is clearly designed with the environment in mind.

ADVANCED+PLUS

e-ion Air Purifying System

New advanced e-ion Air Purifying System with Patrol Sensor monitors the air and indicates the level of dust in the room. With a larger cross flow fan for improved airflow and air purifying performance, ENVIO deactivates 99%* of airborne particles for cleaner and healthier air.

* Certified by the Japan Food Research Laboratories
