The delegates' in-depth knowledge of their countries guarantees a lively and memorable experience.

The 1st WFUNA MUN for Asia Pacific 2004 in Beijing was the first time that UNYSAB participated in the international Model UN Conference. UNYSAB achieved a good rank in 2nd WFUNA MUN for Asia and Asia Pacific 2004 held in Delhi. But it was in AIMUN 2007, Beijing, China when UNYSAB team illustrated a great show by achieving the Best Delegation Award. Farheena Rahman, one of the members of that team, had been awarded the Best Diplomat Award. For the first time, UNYSAB participated in World MUN conferences, 2007 in Geneva, Switzerland where Bangladesh delegation performed magnificently and four of their proposals had been included in the final resolution adopted by the WHO committee regarding Children and HIV/AIDS. UNYSAB participated in AIMUN 2008, Beijing, China and received the Best Delegation Award once again. In the same year, UNYSAB participated in APMUN, Republic of Korea.

From the formation of this association, UNYSAB has organized many successful events countrywide. Organizing MUN throughout the country is UNYSAB's major national event. In its first year, UNYSAB observed International Women's day and Family Day, organized seminars on UN System and MUN and campaigned against racism. It was just a start, and till today it works on many social issues. Debate Competition on Millennium Development Goals is one of the steps taken by UNYSAB to promote this world issue and was successfully organized in Dhaka, Chittagong, Sylhet, Mymensingh, Khulna and Rajshahi. Stand-up against poverty is another voice raised by UNYSAB to diminish the world poverty. The event was held in prestigious institutes like Dhaka University, Holy Family Medical College, North South University, East West University, Notre Dame College, Aga Khan School, Mastermind School, European Standard School and Gulshan Youth Club. Red Ribbon Run is a similar kind of event organized by UNYSAB. This innovative program was the first attempt of its type in Bangladesh intended to attract young people to get to know about HIV and AIDS and its impact in Bangladesh. UNYSAB's great success was the First SAARC Youth Camp-Dhaka, 2007 where they worked with the Ministry of Foreign Affairs and Ministry of Youth in organizing the event. 69 delegates from Bangladesh and 41 delegates from the SAARC country participated in the program. Other national events include participation in National Youth Fair 2008, organizing special events in Dhaka Metropolitan Scout Jamboree and arranging seminars on climate change.

UNYSAB heartily welcomed its new members by organizing a 'Fresher's Reception' on March 20, 2009 at Public Library seminar room, Shahbag, Dhaka. Kazi Ali Reza, the Officer-in-Charge of United Nations Information Center (UNIC) attended the program as the chief guest. UNYSAB's founding president Shaikh Imtiaz Shimul, former president Taufiqul Islam Joarder and the current president Nafiz Imtiaz were also present as special guests. In their speeches, the speakers emphasized on the importance of developing leadership skills through voluntary works which is the main motto of UNYSAB.

Wonders of Nature

Sailing Stones

The classical natural wonders are huge and hard to miss - vast canyons, giant mountains and the like. Many of the most fantastic natural phenomena, however, are also least easy to spot. Some are incredibly rare while others are located in hard-to-reach parts of the planet. From moving rocks to mammatus clouds and red tides to fire rainbows, here are seven of the most spectacular phenomenal wonders of the natural world.
