DIGITAL TICKETING SYSTEM Bus route franchise starts in city today

STAFF CORRESPONDENT

The country's first-ever bus route franchise (BRF) with digital ticketing system is to start its journey on Uttara-Azimpur route in the city today. Communications Minister Syed Abul Hossain will formally inaugurate the service at a formal ceremony at the first stoppage of the route at Uttara sector 12 this morning.

All the bus companies currently plying on the route with valid permit will operate under one franchise from now on. The franchise system will hopefully bring a faster hassle-free service for the commuters, as the companies will no longer compete to attract commuters, said Abu Bakkar Md Shahjahan, executive director of the project's supervising agency Dhaka Transport Coordination Board (DTCB).

The route will cover around 30 kilometres from Uttara

sector 12 (Khalpat) to Plassey (Azimpur) via Sobhanbag, Manik Mia Avenue, Bijoy Sarani, Mohakhali, Khilkhet, Airport and Azampur.

A total of 27 up and down stoppages have been selected. At the initial stage, one hundred buses including 30 air-conditioned (AC) and 70 non-AC buses will operate on the route.

The state-run Bangladesh Road Transport Corporation (BRTC) will also take part in the franchise providing 20 buses from its fleet.

Ticket fair for non-AC buses will be Tk 1.45 per kilometre.

The buses will start plying from 6:00am and the trips will end at 12:00 midnight or 1:00am.

All the buses will soon have similar colours, and minibuses will be removed from the route.

Association of Bus Company (ABC) will implement the scheme for DTCB, Shahjahan added.
