Quotes on Globalisation

"It has been said that arguing against globalization is like arguing against the laws of gravity."
--Kofi Annan

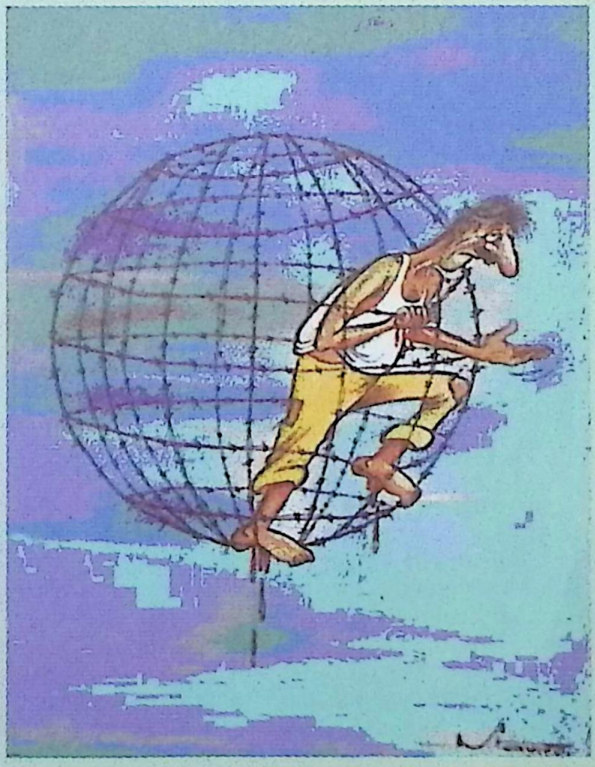

"Globalization, as defined by rich people like us, is a very nice thing... you are talking about the Internet, you are talking about cell phones, you are talking about computers. This doesn't affect two-thirds of the people of the world."
-- Jimmy Carter

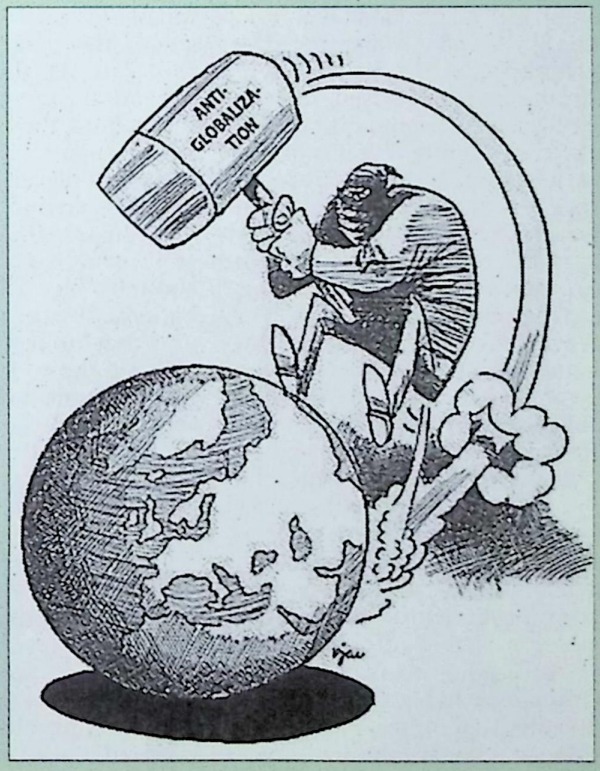

"Globalization has changed us into a company that searches the world, not just to sell or to source, but to find intellectual capital - the world's best talents and greatest ideas."
--Jack Welch

"This is a very exciting time in the world of information. It's not just that the personal computer has come along as a great tool. The whole pace of business is moving faster. Globalization is forcing companies to do things in new ways."
– Bill Gates

Globalization, far from putting an end to power diplomacy between States, has, on the contrary, intensified it.
– Omar Bongo

What is called 'capitalism'is basically a system of corporate mercantilism, with huge and largely unaccountable private tyrannies exercising vast control over the economy, political systems, and social and cultural life...
-- Noam Chomsky
