Brief project title	PR & Media Strategy proposal for awareness campaign in Social Standards
Project processing no.	02.2012.9-001.00
Country of assignment	Bangladesh
Period of assignment	20 May - 20 June 2009
Project description and sector	GTZ PROGRESS wishes to contract a consultant to provide an integrated mass media campaign designed to promote Social Standards in the RMG sector and beyond.

Evidence based mass media campaigns have proven to be an effective methodology of providing sustained behavior change, particularly if reinforced with intensive stakeholder community based approaches.

Increasing awareness of labor laws is one way of improving social standards in the targeted sectors.

The expected outputs from this assignment are:

- An evaluation report on effectiveness of past media campaign strategy aimed at increasing awareness of the benefits of adopting Social Standards (labor laws of Bangladesh),
- Recommendation for the best media strategy that will be the most effective in disseminating and reinforcing the key mass media messages, and
- If necessary re-designing of current campaign material

One of the key tasks to be accomplished is to first conduct a simple qualitative research on target audiences' understanding of Social Standards vis-à-vis local labour laws whereby the effectiveness of the awareness campaign carried out by GTZ PROGRESS thus far through posters, videos etc. is evaluated. Secondly, based on this evaluation of past strategy, the consultant firm will submit recommendations for future strategy and may also be engaged in the designing (or re-designing) of campaign materials.

It is understood that the consultant will evaluate the effectiveness of GTZ PROGRESS's current media strategy by conducting small survey at the factory worker level. It will be important for the consultant to assess the extent to which the RMG workers' knowledge and perception, understanding and behavior have changed, if at all, as a result of the past awareness raising strategy. The key target group of the awareness raising campaign has been the RMG workers working in the Chittagong and Dhaka-Greater Dhaka (including Nyranganj, Savar, Gazipur) region.

Personnel: GTZ is seeking to identify research capable social marketing consultant firms with proven track record of designing awareness raising strategies for sensitive social messages.

Interested consultant/consulting firm must provide information indicating their qualification to perform above assignment.

Please send us your Company profile, experience of similar type of job, Bio-data of skilled professional, will perform the job, to - GTZ office Dhaka, Road 90, House 10/C, Gulshan-2, Dhaka 1212 or electronic copy to abu.yousuf@gtz.de by 30 April 2009.

The evaluation of the expressions of interest is expected to be completed by 5th May 2009. You shall not receive separate notice to this effect.
