GLOBAL RECESSION

Tk 3,424cr stimulus plan rolled out

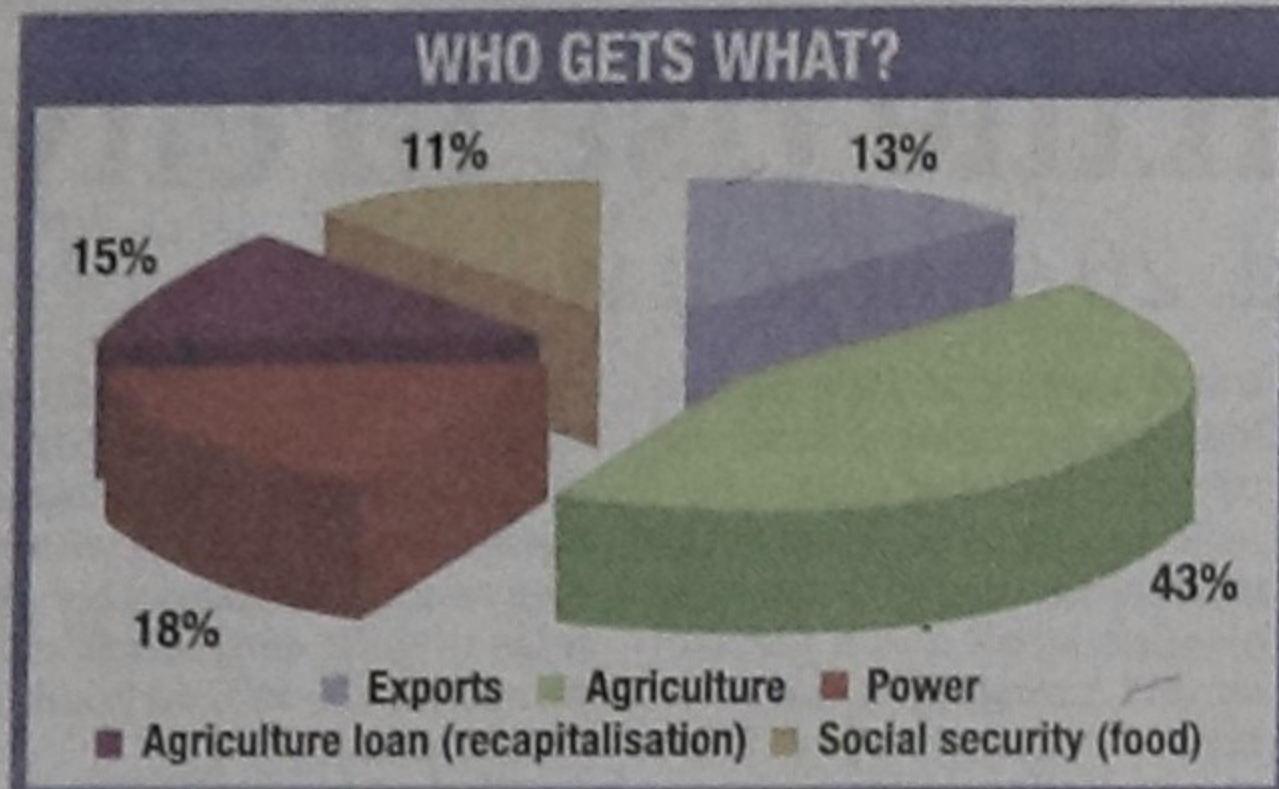

STAFF CORRESPONDENT

The government yesterday announced a Tk 3,424 crore stimulus package to cushion the blow of global economic downturn.

The fund meant to be used over the last quarter of the current fiscal year includes Tk 450 crore in cash subsidies for the export industries already hit by the recession.

Unveiling the plan at a press conference, Finance Minister AMA Muhith said it may not satisfy all as only selected sectors will receive cash incentives.

However, he stressed, those who are not getting the cash

benefits will receive a bundle of policy supports no less valuable.

Of the measures, some will be implemented on an urgent basis during the last three months of this fiscal year and

the others in 2009-10.

In April-June period, cash assistance for export of jute goods, leather and leather goods, and frozen foods will be increased by 2.5 percentage

points.

To foot the bill for the package, an additional Tk 3,424 crore will be allocated in the revised budget for the current fiscal year.

Of the amount, Tk 450 crore will be spent on cash subsidies to exporters, Tk 1,500 crore on agriculture, Tk 600 crore on power sector, Tk 500 crore on agriculture loans and Tk 374 crore on social security.

With this, the budgetary allocations will mount up to Tk 14,554 crore, from Tk 11,130 crore originally.

BCL troubles remain as major irritant

RAKIB AHAMMED and NAIMUL ALAM NOBIN

The reputation of Awami League-led grand alliance government was besmirched, in the first 100 days of its rule, mostly by the ruling party's student wing Bangladesh Chhatra League (BCL).

The name of the legendary student organisation, which once had played a key role in the movement for the country's liberation, became synonymous to trouble

and embarrassment for Awami League (AL) during its 100 days in power, shadowed by more than 50 violent clashes in educational institutions involving BCL.

The embarrassment became so unbearable that Prime Minister also AL President Sheikh Hasina chose to resign from the post of BCL's organisational leader, in order to distance

herself from the sad mayhem of the young students, for whom she ostensibly dreamt the 'digital' dream.

Since the AL-led grand alliance won the December 29, 2008 parliamentary election with a historic landslide victory, BCL activists got themselves busy with having violent intra

and inter organisation clashes; beating, maiming and chasing out of dorms and campuses its rival leaders and activists of pro-BNP Jatiyatabadi Chhatra Dal (JCD) and pro-Jamaat, Islami Chhatra Shibir over establishing hegemony on educational institutions.

The intra-BCL clashes also had no less to boast about, with the level of violence rivalling the clashes with the real rivals.

Two student leaders were killed, several
