Risk Management Consultants

Our client, a major multinational corporation, seeks risk management consultants in Bangladesh. The consultants' role will be to inform the client's strategic investment decisions and ongoing negotiations by providing advice on political and security issues.

These positions will earn a competitive retainer and can be combined with applicants' existing employment. Applicants will have a Master's degree or relevant experience (e.g. commissioned service in the Armed Forces). As important as their academic qualifications, however, will be a track record in building productive relationships with influential Bangladeshi stakeholders.

Interested applicants should send a CV and a maximum of 500 words outlining their suitability for the job to anurat.chatibut@transearch.com

Only successful applicants will be contacted. All applications should be received by June 20th.
