**Position Vacancy Announcement**

The Natural Resources Management (NRM) Specialist for the USAID/Bangladesh Environment Team serves as a manager for the Mission's growing environment sector activities. This position is located in the Environment Team, Office of Economic Growth (EG), USAID/Bangladesh. S/he has project development, implementation, and monitoring responsibilities for USAID/Bangladesh's natural resource conservation activities. S/he designs and manages livelihood and enterprise development activities related to environmental conservation that are supportive of the Mission's overall strategic goals in the area of pro-poor, equitable economic growth and sustainable natural resource management. The incumbent works with and reports to the Mission Environmental Officer and the Team Leader, Environment Team, to ensure the development and successful implementation of bilateral activities in the natural resources conservation, livelihoods and other economic growth programs as necessary. S/he also works closely with other members and team leaders of the Mission's EG Office as well as other offices. In addition, the incumbent works with USAID/Washington (Asia Bureau and Economic Growth, Agriculture and Trade Bureau) technical and program offices. The Natural Resources Management Specialist develops and maintains professional contacts with representatives in both the public and private sectors, including Government of Bangladesh (GoB) officials, trade and business leaders, consultants, NGOs, and donor agencies in Bangladesh. The applicant must have the following:

- Education:** A master degree in natural resources-related discipline, with understanding of wetlands and tropical forest resources, watershed management, biodiversity conservation and management issues and programs is required.
- Prior Work Experience:** Minimum five to seven years of increasingly responsible relevant work experience, at least 3-5 years of which should be a responsible management position in the environment and natural resources sector is required.
- Language Proficiency:** Fluent in oral and written English and Bangla are required.
- Knowledge:** A working knowledge of the Bangladesh natural resources sector and institutions working in the field required. Incumbent must have a thorough knowledge of natural resources problems, policies and issues in Bangladesh and familiarity with regional conservation issues and environmental problems and activities. The incumbent must be fully acquainted with the latest developments in natural resources management models and success examples. Knowledge of the work of other donor agencies in Bangladesh in environment and natural resources related activities is needed. Knowledge of gender in development principles and demonstrated experience in their application are needed.
- Skills and Abilities:** Must have strong project management skills. Ability to analyze program needs in the natural resources sector and how USAID assistance can be targeted. Must have the ability to communicate clearly and effectively at all levels within USAID and the US Mission in general, as well as with the GoB, Bangladesh institutions, local governments and institutions, and private sector. Must have the ability to develop and maintain mid-level to senior level contracts with the government and USG officials and private sector and NGO representatives in Bangladesh and in the region. Must have the ability to provide technical and policy guidance to project managers/contractors as and when needed, clearly and diplomatically. Must also be able to write analytical reports on environment and Natural Resource Management issues. Intermediate computer skills (e.g., Word, Spreadsheet, LAN environment) required.

Interested Bangladeshi qualified candidates are requested to submit the completed "Application for Employment as a Foreign Service National" Form or a plain resume along with a cover letter. Blank application forms are available at the South barrier (near the Vatican Embassy). In-house interested candidates may collect the form from the Human Resources Section, USAID, Room No. 64, Chancery Building, C/O American Embassy, Dhaka.
