

Stocks continue to gain

STAR BUSINESS REPORT

Dhaka stocks continued to gain yesterday amid a slight rise in key indices.

Benchmark index of the Dhaka Stock Exchange, DSE General Index (DGEN), up by 10.93 points, or 0.38 percent to 2,882.12. The DSE All Share Price Index also increased by 8.22 points, or 0.24 percent to 2,412.18.

The market fluctuated noticeably during the first 15-20 minutes with going up 18 points first and then losing.

"This was caused by the initial jump in Beximco Group shares that could not sustain till the end," Equity Partners Limited, an investment bank, said in its regular market analysis.

In the next 90 minutes or so, the DGEN went up continuously, backed by a gain in pharmaceuticals and cement share prices.

After the mid-session, the index started to come down because of the decline in the financial sector companies. This trend persisted till the end.

The EPL analysis said some 'B' category and junk shares witnessed sharp gain.

The advancers beat the losers 140 to 111.

Khondker Faez Rashid, managing director of Dhaka Bank Ltd, inaugurates an ATM of the bank in Narayanganj on Sunday.
