NOTICE OF PUBLIC CONSULTATION

ENVIRONMENTAL ASSESSMENT

The Study:

Bangladesh Bridge Authority (BBA) is currently undertaking the detailed engineering design of the Padma Multipurpose Bridge Project under the finance from Asian Development Bank (ADB). The Project will prepare the detailed engineering design for the construction of Padma Bridge and associate structures. The Project involves construction of about 6km long main bridge, approach roads, river training works (RTWs), bridge end facilities (service areas, construction yards, toll plazas, resettlement sites), two railway stations at both ends with the provision of rail track, and gas and power transmission lines on the bridge. The construction of the project components will involve massive activities which have both negative and positive impacts on the environment.

The Process:

The Project is being categorized as Category "A" project in accordance with the requirements of the ADB's OM20-Environmental Considerations and Environmental Conservation Rules (1997) of Bangladesh Government. ADB Guideline requires two public consultations for category "A" project, once during the early stages of ELA field work and once when the draft ELA report is available. Upon completion of the study, an Environmental Impact Assessment report documenting the process will be submitted to BBA and ADB and other co-financiers and will be available for public review.

Public Consultation:

This is the first public consultation and is scheduled to allow the public to meet the project team, discuss the study objectives, environmental issues, and mitigation measures for major environmental impacts and provide opportunities to participate in the decision-making process. you are invited to attend the meetings in the following locations:

1. Mawa Side:

Date: 10AM to 1PM, July 20, 2009

Location: The Office of the Executive Engineer (Resettlement), Bangladesh Bridge Authority, Mawa, Louhajang, Munshiganj

2. Janjira Side 1:

Date: 11AM to 1PM, July 21, 2009

Location: Naddoba High School, Janjira, Shariatpur

3. Janjira Side 2:

Date: 11AM to 1PM, July 22, 2009

Location: Union Council of Matar Char, Headquarter of Bakorkandi, Shibchar, Madaripur

The consultation will consist of formal invitations to various stakeholders and displays showing the preliminary alignment, environmental concerns and social aspect, BBA and consultants will be on hand to answer any questions.

Comments:

We are interested in hearing any comments that you may have about the study. With the exception of personal information, all comments will be part of the public. In addition, there will be a comment sheet available, please place the completed questionnaire in the box provided or return it to the address below:
