Summit Communications Limited

Working for tomorrow

Summit Communications Ltd. is a recently established company of Summit Group formed to build and create a modern telecommunications infrastructure backbone for Bangladesh through the laying of terrestrial cables and other basic infrastructure design and service. The company is looking for a self-motivated COO with a proven track record in bringing new communications services to the national market. This is an exciting leadership role with the opportunity to help create a modern telecommunications infrastructure backbone for Bangladesh.

Reporting to the Managing Director/ CEO, the Chief Operating Officer (COO) will be responsible for managing and guiding a team of professionals through the evolutionary phases of design, implementation, test, field trial, application optimization and market acceptance of the product and the infrastructure the company is set to develop. Working through the management team, COO will have, among others, the following specific tasks:

- Manage organizational operations.
- Business insurance: procurement, monitoring and management. Develop new business strategies to enhance market share and improve overall performance.
- Serving as a resource to help reduce costs, enhance revenues and analyze information to develop and support management decisions.
- Communicate key information to the stakeholders with respect to marketplace needs, the competitive environment and customer-focused services.
- Oversee risk management and legal activities: letters of agreement, contracts, leases, and other legal documents and agreements.
- Provide support and guidance to HR Director in recruitment, assessment of training & development need, and fixation of right compensation package in line with market as well as in determining retention strategies of the Company.
- Organizational reporting and monitoring: provide guidance and leadership through management of the organization metrics and measurement reporting process.

Qualifications required:

- Minimum B.Sc Engineering (Electrical and/or Telecommunications) supplemented by an academic background in management studies. Specific experience in fiber optic will be an added advantage.
- 10 years of experience in the telecommunications field, with 3 years in a senior management position of a well-reputed telecommunications company.
- Must be willing to travel both domestically in Bangladesh and internationally and be able to manage teams spread across Bangladesh. International experience is advantageous.

Remuneration: Monthly compensation will be commensurate with the qualifications and experience in the pay structure of the Company. Candidates may mention their minimum expectation.

Benefits: Contributory provident fund, gratuity, festival bonus, and leave entitlement as per Company service rules.

Application:
Prospective candidates who fulfill the aforementioned criteria are requested to apply to the following address: Sr. Manager
Summit Communications Limited
Summit Centre (11th floor)
18, Karwan Bazar C/A, Dhaka- 1215
on or before **26.07.2009**
