Towards Youth Leadership Development

6-10

More than half of the world today recognises true leadership potential among the youth. Yet in Bangladesh, a country where one third of the total population is young people (age 10-24), the notion of youth leadership has been long disregarded.

Global Impact through Local Action

12

When a non-government organisation with members from over 100 nations come together for the purpose of active citizenship, we find the creation of Junior Chamber International (JCI). Its mission is to provide development opportunities that empower young people to create positive change.

The World Ocean Day Beach Cleanup

20-21

It has always been said that the ocean is the symbol of wealth, mystery and knowledge. Still there are so many things about the ocean that are unknown – hidden inside its own world. Somehow the ocean has always been related to the beginning of the existence of life.
