Mohammad Fazlur Rahman (27th Feb 1927-29th July 2008)

Today is the first death anniversary of Mohammad Fazlur Rahman who passed away peacefully at home of old age complications. By profession a banker, he was Managing Director of Agrani Bank, Sonali Bank, Janata Bank and IFIC Bank. He was also Lion Governor Dist 315 for 1977/78. He initiated and built the Lions Eye Hospital at Agargaon. He was life member Asiatic Society and Dhaka University Alumni Association. He retired in 1993 from active service and indulged in traveling and reading and the study of Islam. He is survived by his wife, Eva Rahman and 3 sons, 1 daughter and 7 grandchildren. He is buried in Banani graveyard. Amlad/da will be held at his home in Gulshan today after Asr prayers. Food will be distributed to various orphanages to pray for mercy of his departed soul and we the children would be eternally grateful if you would also join us and say a prayer for our father's salvation and Allah's mercy. Children of late M Fazlur Rahman C-1254

REQUEST FOR PROPOSALS FOR PROGRAM MANAGEMENT CONSULTANCY SERVICES FOR THE FAEL KHAIR SCHOOL-CUM-SHELTERS BUILDING CONSTRUCTION PROGRAM IN BANGLADESH

The Islamic Development Bank (IDB) a multi-lateral institution invites reputable Consultancy Firms (individually or jointly) to participate in competitive bidding for provision of Consultancy Services as the Project Management Consultant (PMC) for the Fael Khair School-cum-Shelters building Construction Program in Bangladesh.

BACKGROUND: On November 15, 2007, a very powerful cyclone (Cyclone Sidr) impacted the South Western Coast of Bangladesh accompanied by heavy rains, a storm surge of about 20 ft high (6 meters) and wind speeds of up to 223 kph, resulting in loss of life and considerable damage in 30 of the 64 districts of the Country.

With the intention of providing a long term solution to the hazards faced by the population due to the recurring cyclones which periodically afflict Bangladesh, an anonymous philanthropist (FAEL KHAIR in Arabic) has entrusted to the IDB a generous donation of USD 130 million for relief assistance to the Cyclone victims. The assistance program includes construction of about 600 schools to be designed as multi-purpose shelters and the restoration of livelihoods for the afflicted population in the coastal belt of Bangladesh.

INSTRUCTION TO PARTICIPANTS: The Services to be performed under this contract are expected to commence in September 2009 and will cover the School-cum-Shelters construction, which is anticipated to be until October 2012. The Consultant is required to mobilize within thirty (30) days of the signing of the contract. The PMC will assume overall responsibility for the implementation of the Program including concluding, supervising and administering agreements with various Consultants, Contractors and Suppliers. More details on the requested services are provided in the Terms of Reference that can be viewed or downloaded from the IDB Website. The RFP will be delivered by email to all interested consulting firms, upon registration of the firm's interest in this assignment. To register, when requesting the RFP, interested firms are only required to submit their contact details and a brief on their activities (name and activities, address, telephone number, fax, email, and name of contact person for this assignment) to the IDB at the postal, or email address indicated below. Interested firms can also visit the IDB offices in Jeddah or the Program Office in Dhaka, to obtain a copy of the RFP. Please note that IDB will reply to clarification letters by email or "hard copy" depending on the preference of the interested Consultant.

The participants are encouraged to familiarize themselves with the local conditions and to take them into account in preparing their technical and financial proposals. A pre-proposal conference will be held in Dhaka on 15th August 2009. Site visit to typical project sites will be conducted on 16th August 2009.

Original Proposals of the participants should be received not later than 3:00 pm on 31st August 2009 by the IDB H.Q. with a copy to the Program Office in Dhaka at address as mentioned below:

Please note that (i) the cost of preparing the proposals is not reimbursable; (ii) A Consultancy Firm will be selected following the Quality and Cost Based Selection (QCBS) procedures as defined in the RFP document. The Islamic Development Bank is not bound to accept any of the proposals submitted. The eligibility of Consultancy Firm will be determined on the basis of satisfactory fulfillment of the post qualification requirements as indicated in the RFP.

* Conditions apply

Candidates willing to take admission are required to collect the application form together with the prospectus from the Office of the Registrar of the University on any working day from 02.08.09 between 9:30 A.M and 2:30 P.M on payment of Tk. 500/- (without VAT). Last date of submission of application is 17.08.09. Those who have passed HSC or equivalent Examinations in 2009 and 2008 are eligible to apply.

The seats will be filled up on the basis of marks/GPA obtained in S.S.C and H.S.C or equivalent Examinations. Details are available in the prospectus of the University. The general merit list will be displayed on the Notice Board and the Website of the University on 20.08.09 along with instructions concerning the final selection of the candidates and choice of programme to be pursued. The candidates having GPA of 5.0 (without additional subject) in both HSC (considering Math GP) and SSC Examinations will, however, be admitted directly according to their choice of programme on first-come first-served basis if seats are available by 17.08.09 on production of original academic transcript along with filled in application form. The date of starting the classes will be notified later.

Bachelor Degrees of AUST are recognized by Bangladesh University of Engineering & Technology (BUET) for pursuing M.Sc. courses offered by BUET. The relevant Degrees are also accredited with the Institution of Engineers, Bangladesh (IEB), Institute of Architects, Bangladesh (IAB) and the Institute of Textile Engineers & Technologists, Bangladesh (ITET). AUST has also recently achieved a unique distinction through the UGC's approval of its newly constructed spacious campus having modern facilities and infrastructures, as the "Permanent Campus" of AUST.
