**Programme Coordinator****IUCN Bangladesh Country Office**Our mission  
"To influence, encourage & assist societies throughout the world to conserve the integrity & diversity of nature & to ensure that any use of natural resources is equitable & ecologically sustainable."

Under the guidance of the Country Representative, IUCN Bangladesh, the PC will manage and coordinate the Bangladesh Programme at the country level to ensure effective and timely development, planning, delivery, monitoring, and evaluation of an integrated and coherent programme for IUCN Bangladesh. Specific duties include:

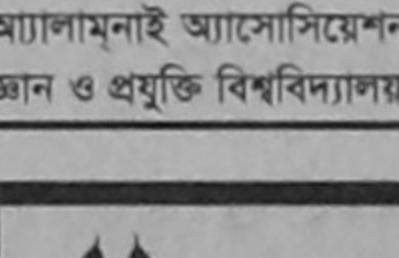

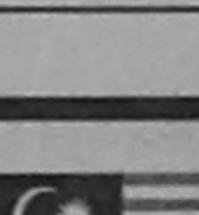

**PROGRAMME AND PROJECT PLANNING AND DEVELOPMENT** - Ensure that an adequate, efficient and high quality results based programme/project, planning and development system is in place and followed.**PROGRAMME COORDINATION** - Support the Country Representative in effectively coordinating the Bangladesh Programme to ensure coherence and integration across the programme as well as with the Asia Region and Global Programme of IUCN**MONITORING AND EVALUATION** - Ensure that an adequate, efficient and clearly articulated programme monitoring, evaluation and reporting is in place and followed across IUCN Bangladesh.**REPORTING**: Prepare regular Progress Reports, and any other progress reports of IUCN Bangladesh. Oversee the fulfilment of reporting requirements of projects, and ensure their technical accuracy and quality.**CAPACITY DEVELOPMENT IN PROGRAMME & PROJECT PLANNING, MONITORING, EVALUATION & REPORTING** - Undertake specific capacity building measures and exercises (training, mentoring, other) as necessary.**PROGRAMME IMPLEMENTATION** - Undertake project implementation, and provide technical inputs and support to implementation when required.**REPRESENTATION** - Represent IUCN Bangladesh in programme related planning and coordination processes; Interact with the respective global and regional programmes as well as Country Offices on technical matters related to programme and project planning, coordination, monitoring, and evaluation; Coordinate the programmatic integration of IUCN Bangladesh in the Asia Region.

The successful candidate should possess a minimum of 7-10 years of professional experience in natural resources management, 5 of which should be at senior level, with a PhD or Masters Degree in a subject related to conservation. In addition to proven experience in ecosystem management and livelihoods enhancement, specific expertise in the areas of water/wetlands management and climate change adaptation is highly desirable. Excellent managerial, interpersonal and team building skills along with demonstrated experience in strategic planning, policy, project/programme cycle management, performance management and M&amp;E is essential. Demonstrated skills in training and facilitation in the above topics is desirable. The incumbent should be able to work effectively within a workforce of professionals of diverse nationalities. Fluency in written and spoken English is necessary.

The position is for a period of two years with long-term prospects for the right candidate. In our internal grading system, this position is categorized as Professional with the function group SP.

Interested candidates should send their applications and CV along with the names of two references by 18 August 2009 to: Regional Human Resources Unit, IUCN, International Union for Conservation of Nature, Asia Regional Office, 63, Sukhumvit Rd, Wattana, Bangkok 10110, Thailand. Tel: +66 2 662 4029; Fax: +66 2 662 4389. Email: [asiarecruitment22@iucn.org](mailto:asiarecruitment22@iucn.org); url: <http://www.iucn.org>.
