The Man of

Shakib al Hasan's rise to fame has been interesting too see and brilliant to experience, because his performances have both pushed him into the limelight as well as invigorated the nation. The recent test and one day international (ODI) series victory in the West Indies brought some much needed relief to the cricket crazy nation of Bangladesh, but it also catapulted Shakib into the public eye like never before. While he has undoubtedly been the team's best player for some time and even managed to be named the number one allrounder in the world he never really came across as a cricketing superstar.

All smiles for the winning team after the West Indies tour.
