- Automated and well-resourced library/media centre.
- Gym, heated swimming pool, excellent playing fields and tennis courts.
- Provides rich learning experiences promoting academic rigour and international understanding.
- Friendly, caring atmosphere that encourages parents' involvement in their child's learning process.
- Scholarships are offered.

What UK research says about IB?

- A recent UK research commissioned by ACS International Schools reveals that 35% of the respondents (university admissions officers) named IB as providing the best preparation for students to thrive at university compared to 18% who cited A-levels.
- 53% of the respondents feel the IB is the best qualification to study or work internationally, compared to just 16% who named A-levels.

The IB Diploma is recognised throughout the world as the best preparation for university study.
ISD graduates have won places in excellent world universities, some with scholarships.
