CAREER OPPORTUNITY

SHR GROUP wants to appoint a Lady Secretary of bright educational background & efficient in IT / Computer Literacy, preferably with experience of 3(three) years in reputed organisations, well presentable and unexceeding 35(thirty five) years of age for Head Office in Dhaka to work with the Managing Director / Deputy Managing Director.

Interested candidates may please apply with full resume along with 2(two) passport size photographs to Banani P.O.Box No. 9056, Dhaka-1213 or to jobs.msc@mhglobalbd.net by 27th August, 2009.

National Coordinator, SASMIT

In partnership with the Royal Institute of Technology (KTH) Stockholm, Sweden, the apex national networking NGO working in the Water (Water & Sanitation) sector in Bangladesh for twenty seven years announces the vacancy for immediate appointment under the Sida sponsored 'Sustainable Arsenic Mitigation Project (SASMIT)'. The Project includes two major components: i) a global component for advocacy, awareness raising, capacity building, exchange of information, conceptualization of the mitigation option and replication-trials for validation of the option for other developing countries with elevated levels of geogenic arsenic in groundwater, and ii) a multidisciplinary action research (field trial) in Matlab area, Bangladesh which includes hydrogeological investigations, field implementations, generation of knowledge, capacity building based on participatory approaches, monitoring, management and establishment of water safety plan (WSP) for the promoted option in collaboration with the local government and other stakeholders.

The project consortium includes scientists from the Royal Institute of Technology (KTH), Ramboll Sweden and NGO Forum for DWSS and University of Dhaka in Bangladesh as collaborative partners. The project will continue until March 2012. Academic Qualifications: M.Sc. in Geology or equivalent with specialization in hydrogeology. Preference will be given to applicants having advanced degree in hydrogeology from any reputed university abroad.

Experiences: Minimum 15 years of relevant experience working mainly in a multi-disciplinary team with National & International Development Organizations and Professionals bodies. Candidates with sound knowledge in project management, advanced experience in hydrogeological work packages and sociological issues will get preference. The applicant must have the ability to interact with international universities for the advanced scientific collaboration.

Responsibilities: The key duties and responsibilities of the position are to provide technical advice to the NGO team as a focal person of NGO Forum component; brief and update the ongoing activities of the project to the Project Coordinator and Executive Director of NGO; sharing of knowledge & experiences with study team, participation in project planning and monitoring activities, staff management to ensure quality of work in time, preparation and dissemination of scientific papers and reports, keep continuous coordination and liaison with all partners, stakeholders, conduct seminar and disseminate information and conduct sociological studies and research as required and perform any other duties as requested by the Project Coordinator and Sida in Sweden.

Salary: Attractive monthly salary (negotiable) plus other admissible benefits as per project provision.

Application with CV, 2 (two) passport size photographs and copies of educational and professional certificates should reach by September 10, 2009. Candidates are requested to mark the name of the position on the envelope and mention his/her contact telephone number in the applications. Please apply to Chief, HR & Admin, NGO Forum for DWSS, 4/6, Block-E, Lalmatia, Dhaka-1207.

NGO Forum for DWSS is an equal-opportunity employer and we strongly encourage female candidates to apply for the position
