Milestone for Bangladesh Cricket

At first, I would like to congratulate the Bangladesh Cricket Team for their great achievement. It was our expectation that Bangladesh would do well in cricket and they have fulfilled expectations in the West Indies and Zimbabwe series. Before that, we the supporters were disappointed by their bad performance in the T20 World Cup. Now people have been congratulating the team for their great performance and also their great achievement. Every single player did his job in these two series so that we have gott two great victories against West Indies and Zimbabwe. In these two series Bangladesh achieved many remarkable records such as first ODI and Test series victory in a foreign country. Tamim Iqbal managed the record of the highest individual ODI score by a Bangladeshi, Shakib hit a century in a few balls etc. Bangladesh team earned these two victories dedication and hard work. Now the challenge is to maintain this standard. Victorious captain Shakib al Hasan said that "we need to put this win behind us and look forward". Therefore, we hope that Bangladesh cricketers will play like tigers and keep the victories coming.
