The 3rd Anniversary Issue
Winds of Change

While we in the Star Campus still struggle to see sense into what we do, our beloved magazine has reached its third year of birth making us all feel the weighty sense of pride and joy. Since its launch in August 2006 Star Campus has taken in both appreciation and criticism from its readers, contributors and supporters.

Sharing happy moments with children

And beautiful it was when the Star Campus team celebrated its 3rd anniversary with the ailing children from Dhaka Shishu Hospital. With the aim to spread the love and support that Star Campus has received over the last three years, we took the initiative to celebrate this milestone by organising a programme for the children to entertain our young friends.

The 3rd Anniversary Issue contains 32 pages instead of 48. Due to an overwhelming number of submissions, we will continue 'Winds of Change' next week.
