# Muggers active around banks

DMP asks businesses to have police escort while carrying big amount from banks

MUKHLESUR RAHMAN

As many as 100 muggers in several groups are active in and around the banks in the capital while informants inside banks keep them informed about big transactions, detective sources said.

The gangs of muggers become desperate during the holy month of Ramadan; they rob people on the crowded city streets at gunpoint as soon as they come out of the banks with a large sum of money.

Despite a special anti-crime drive across the country from August 3 at least 10 incidents of mugging took place in the capital leaving most of the victims bullet-hit in broad daylight in the last one and a half months.

Dhaka Metropolitan Police Commissioner

(DMP) AKM Shahidul Haque told The Daily Star DMP has deployed additional plainclothes police in and around the banks in the city and assigned a special Detective Branch (DB) team on the eve of Ramadan.

Shahidul said he met Federation of Bangladesh Chambers of Commerce and Industry (FBCCI) leaders and advised them to take police escort while carrying more than Tk 1 lakh. Any individual can also enjoy the service, he added.

DB Assistant Commissioner Mohammad Nasir Uddin Khan, also a member of the special team to check muggings, told The Daily Star that they set up eight special check posts in posh areas including Dhanmondi and Ramna in the city to nab the muggers.

## Khaleda, Delwar at odds over reform

RAKIB HASNET SUMAN

BNP Secretary General Khaleda Zia and Chairperson Khaleda Zia are finding themselves increasingly at odds with each other over party reorganisation.

Some party leaders alleged that the secretary general approved some district convening committees with more than 51 members each, which is in clear violation of a party decision.

The organisation's standing committee, the highest policy making forum, had decided that those committees should have 51 members each.

Due to objections from the secretary general, the convening committees for Dhaka and Manikganj districts, and Dhaka city unit committees could not be formed yet, while the

party had already declared committees for 71 district units three months ago.

At a meeting of the standing committee on Monday, Khaleda expressed her disappointment over the slow pace of the party reorganisation supervised by Delwar, meeting sources said.

Against such a backdrop, the chairperson is also considering inclusion of more leaders in the standing committee, although some senior leaders are opposing the idea, saying changes in the highest policy making body should only be brought through a national council, according to party insiders.

The leaders said Justice TH Khan, Jamiruddin Sircar, MKA Anwar, and Nazrul Islam Khan might be picked for inclusion in the
