

A 'computer glitch' that may turn too costly for them

30 HSC students 'missing' from result sheet

RAJAT KANTI GOSWAMI, Moulvibazar

Thirty students of Bangladesh Open University (BOU), who passed the HSC examinations from Moulvibazar Government Women's College centre this year, are facing uncertainty about getting admission into higher courses as their names are 'missing' in the result sheet.

The tabulation sheet includes their names as successful candidates but as the names are not in the result sheet, the students are yet to get HSC certificates.

Meantime, most of the higher educational institutions have announced their admission procedure while schedule of registration for the next HSC examinations under BOU is very imminent.

Faced with the uncertain situation, the 30 examinees are passing their time amid worry and frustration.

One hundred and seventy students appeared in the HSC examinations held in December 2008 under the BOU from Moulvibazar Government Women's College

centre, said the examination centre authorities and students concerned.

After the university published the results in July 2009, the result sheet showed only 24 successful candidates from the centre but when the tabulation sheet came to the college, it was found that 54 students came out successful.

HT Ahmed, assistant director of Open University Moulvibazar region, said similar situations have appeared in several other centres of the country and it has occurred due to 'computer glitch'.

"The HSC examinees whose names have been printed in the tabulation sheet as successful candidates are being treated as 'passed' in the examination. The university authorities have been informed of the situation of Moulvibazar Government Women's College centre. Mark sheets of the examinees are likely to reach Moulvibazar within the current month (September). If the students get mark sheet, they will get scope to get admission into higher courses without certificate," he said.

KIBRIA KILLING CASE

Court orders CID to submit probe report by Oct 13

STAFF CORRESPONDENT, Sylhet

Sylhet Divisional Speedy Trial tribunal yesterday asked the Criminal Investigation Department (CID) to submit the report on further investigation into former finance minister SAMS Kibria murder case to the court by October 13.

CID's senior ASP Munshi Atiqur Rahman, the then investigation officer (IO) of the case, submitted a petition to the tribunal on March 7, 2007, seeking further investigation into the case.

As Munshi went into retirement after a few months, CID's ASP Md Rafiqul Islam was given the task.

Former finance minister SAMS Kibria, his nephew Advocate Shah Manzurul Huda, local AL leaders Abdul Rahim, Abul Hossain and Siddique Ali were killed in a grenade attack on a public rally at Baidderbar under Habiganj Sadar upazila on January 27, 2005.

Immediately after the incident, police filed a case with Habiganj Sadar Police Station. Local Awami League leader Advocate Abdul Majid Khan (now AL lawmaker from Habiganj) also filed a case in connection with the grenade attack with the same police

station. Munshi Atiqur submitted a charge sheet in the case to a Habiganj court against ten people on March 20 the same year.

As complainant Abdul Majid Khan filed a 'naraji' petition against the charge sheet, the magistrate rejected petition and fixed May 10 for hearing of the case.

Before the hearing, the case was shifted to the Speedy Trial Tribunal and the then Judge Biplob Goswami also rejected the complainant's 'naraji' petition against the charge sheet.

The complainant then went to the High Court that stayed the case proceedings. However, the high court order staying the trial process of the case was vacated in December last year.

In the charge sheet, Habiganj BNP Vice-President

Abdul Quaiyum was made principal accused. The other accused were, Zainal Abedin, Jamir Ali, Momin Ali, Tajul Islam, Shahed Ali, Chhondur Miah, Selim Ahmed, Enayet Ali and Muhibur Rahman.

Eight of the accused, including Abdul Quaiyum, were later released on bail.

Abdul Quaiyum and other accused at a press conference in the capital claimed that they had been falsely implicated in the case by some influential quarters.

Rejecting the charge sheet, Kibria's wife Asma Kibria and son Reza Kibria also demanded fresh investigation into the killing.
