Nigerian striker Christian Emeka celebrated his return to Mohammedan with a hat-trick and confirmed the Black and White's quarterfinal berth in the Federation Cup after crushing Brothers Union by a mammoth 7-1 in Group A encounter at Bangabandhu National Stadium yesterday.

Apart from Emeka's treble, Zahid Hasan Emily, Zahid Hossain, Alamul Bukola and substitute Alamgir Kabir netted one goal apiece for the Motijheel-based outfit, who raised their points tally to six from two outings with a match in hand against BKSP.

Murad Ahmed Milon scored the lone goal for the

Gopibagh-based Brothers Union.

Away at the Bangladesh Army Stadium, newcomers Feni Soccer Club kept their hopes of qualifying the quarterfinals alive with a massive 7-0 win over BKSP, thanks to hat-tricks from Anwar Hossain and Monamem Khan Raju.

Brothers and Feni are now level with three points each and square off in the crucial last group match to see them in the last eighth after the vacation of Eid-ul-Fitr.

Back to the Mohammedan-Brothers match, Mohammedan coach Maruf Haq chose the same eleven that thrashed Feni Soccer Club 4-0 in the opening match and it got off to a sparkling start when Emily with a solo

effort darted in the box immediately after kick-off. And three minutes into the first half, the former Abahani striker rose highest to connect an Arman Aziz free kick, but saw his header come off the post.

Surviving from the starting moments, Brothers went on the attack and found the back of the net in the eighth minute when Milon was presented a free header by Sabuj Kumar from the right and the striker nodded the ball home though Mohammedan goalkeeper MN Shakil got a hand to it.

After going down, star-studded Mohammedan stepped up the attack on the rain-soaked pitch played at a frenetic pace until the breather.

It was Emily, who struck two goals in his debut match, who levelled the margin in the

20th minute with a soft header after being presented a opportunity from a Zahid cross.

The supplier then turned scorer two minutes later as he put the holders ahead with a clever over-head shot after being set up by defensive midfielder Arman Aziz.

Emily was forced to leave the field after 25 minutes after having sustained a muscle cramp that allowed Emeka, who last season played for Abahani and struck 17 goals in B. League, to play the season's first match and saw the formation of a lethal attack with Nigerian Bukola, last season's highest scorer.

Soon Emeka had started to have an impact on the match as Brothers Union, had virtually no resistance in midfield as well as at the backline and sank to a massive defeat.

Emeka's side-volley off a Zahid cross came off the post in the 33rd minute and a few minutes later Bukola sent a 12-yard spot kick wide.

But Emeka made it 3-1 two minutes from the breather with a diving header off a low cross from Wali Faisal, who also looked impressive yesterday compared to his debut match.

After resumption, Maruf sent Rana, who was playing his first match in the top-flight, on the left side in place of Enamul Haq Sharif and the national midfielder impressed all to turn provider for the fourth goal.

Rana dragged a shot from the left and Emeka tapped it from close range in the 58th minute before he himself unleashed a powerful shot inside the box past goalkeeper Jahangir Alam in the 81st minute.

With seven minutes left, Bukola made it 6-1 before Emeka completed his hat-trick two minutes from time to add insult to injury.

Kim Clijsters of Belgium, holding the US Open trophy in one hand, lifts her daughter Jada with the other as she celebrates her victory over Caroline Wozniacki of Denmark in the final at the Flushing Meadows in New York on Sunday.

Kim's triumphant return

AFP, New York

Kim Clijsters of Belgium won the US Open for the second time on Sunday, defeating Caroline

Wozniacki of Denmark 7-5, 6-3 to complete one of the most stunning comebacks in modern sports history.

In so doing, she became the first mother to win a Grand Slam title since Australian Evonne Goolagong in 1980 and the first wildcard, man or woman, to win a US Open title in the history of the tournament.

The win came just five weeks after she returned from a 27-month retirement and it left her on her knees and in tears after smashing home the winner at the net.

"I can't believe this happened," she said. "Because it still seems so surreal that in my third tournament back I won my second Grand Slam."

"Because it wasn't in the plan. I just wanted to come here and get a feel for it all over again, play a Grand Slam, so at the start of next year I didn't have to go through all the new experiences again."

"But it means the world, and I'm just so

glad that I am able to share it with my husband who is here who wasn't here a few years ago, and with my whole group who is here. And with our daughter, of course."

Wozniacki paid tribute to Clijsters saying: "Kim just played a great match."

"She really showed that she's playing great tennis, and I'm happy to have her back."

"But of course I'd like to have taken the next step and have won this match. She played better than me today, and that's why she won."

The 26-year-old Clijsters won her only Grand Slam title here in 2005 after losing four finals, three to compatriot Justine Henin and one to Jennifer Capriati of the United States.

She was unable to defend the title the following year as she was injured and then in May, 2007, she rocked the tennis world by retiring, saying that she had had enough of injuries and the tennis lifestyle.

In her time away from the sport, she married and had a baby daughter and it was only at the start of the year that she started to consider a comeback.

That came in Cincinnati in early

August, and Flushing Meadows was just her third tournament since she returned.

True to form, Clijsters, who defeated sisters Serena and Venus Williams on her way to the final, opened strongly, holding serve and then grabbing the first break of the match to lead 2-0.

The 19-year-old Wozniacki, playing in her first Grand Slam final, counter-attacked to break back in the next game, converting her fifth break point with a raking forehand drive that Clijsters failed to control.

The Dane held serve and then broke again as Clijsters struggled to contain her opponent's length and variety of shot.

With her 18-month old daughter Jada watching in the players' box as well as husband Brian Lynch, Clijsters had three break back points to level at 3-3 but failed to take them.

Wozniacki, like Clijsters the daughter of a professional footballer, kept up the pressure and drew mistakes from the Belgian to set up two more break points for a 5-2 lead.

Clijsters dug deep to close to 4-3 and in

Sachin Tendulkar compiled his 44th one-day century as India scored 319-5 in the tri-series one-day final against Sri Lanka at the Premadasa Stadium on Monday.

Tendulkar, the world's leading scorer in both Tests and one-day cricket, hit 138 off 133 balls after Indian captain Mahendra Singh Dhoni won the toss and elected to bat in the day-night match.

Dhoni himself played a captain's knock of 56 from 62 balls during a second wicket stand of 110 with Tendulkar.

Yuvraj Singh remained unbeaten on a quickfire 56 off 41 balls as India plundered 85 runs in the last 10 overs.

The 36-year-old Tendulkar battled oppressive heat and humidity to bat for 46 overs despite developing leg cramps in the later part of his innings which required the help of a runner.

He hit 10 boundaries and a six before being leg-before to Ajanta Mendis after smashing a six and two boundaries earlier in the over.

It was Tendulkar's 86th international century -- 42 in Tests and 44 in one-dayers -- to complement his world record 12,773 Test and 16,895 one-day runs in a brilliant 20-year career.

Tendulkar put on 95 for the first wicket with fellow veteran Rahul Dravid, who contributed 39 after being asked to open the batting in place of the axed Dinesh Karthik.

Sri Lanka face a target of 6.4 runs an over under lights to win the series that also featured New Zealand.

The hosts had defeated India by 139 runs in their

league match on Saturday.

Mahmud asstt coach

Cricket

SPORTS REPORTER

Former national captain Khaled Mahmud has been named assistant coach of the Bangladesh national cricket team.

Bangladesh Cricket Board (BCB) confirmed the former all-rounder as Jamie Siddons's assistant when the board of directors resumed its September 9 adjourned meeting yesterday at the Sher-e-Bangla National Stadium in Mirpur.

Mahmud, who joined BCB as the operations manager of the national cricket academy after making his last international appearance against Sri Lanka in February 2006, was with the national team during the tours of West Indies and Zimbabwe and the board was highly impressed with his performance during the tours.

"We are very much happy with his contribution and you know we have always believed in him because we know he has got the quality to

serve the national team. He got a chance and availed it," said BCB's media committee chairman Jalal Yunus.

But there was confusion over the status of Mahmud as the 38-year-old former all-rounder had been working under the development committee since he got the appointment as the academy operations manager and the contract runs till March 2010. And there is a different rule and financial package for BCB's common employees and the employees of the team management.

"We confirmed him as assistant coach till March 2010 and the package will be discussed later. The cricket operations committee will take the decision after discussions with Mahmud. Actually it's our policy to involve former national skippers with this kind of job and it's our first step towards that," Jalal explained.

Mahmud however was excited with the board's decision.

"It's a big achievement in my career," he said. The BCB also confirmed extension of all the

English injury woes mount

AFP, London

Luke Wright became the latest England cricketer to sustain an unusual injury after a ball from a bowling machine struck his toe and left him doubtful for Today's one-day against Australia.

Wright was batting in the indoor nets at the National Cricket Performance Centre in Loughborough, central England, when he was hit on the toe by a ball from the machine and had to have stitches inserted into the injury.

Federer v Del Potro

AFP, New York

Hitting the greatest shot of his amazing career on the penultimate point, Roger Federer advanced to the US Open final on Sunday by defeating Serbian fourth seed Novak Djokovic 7-6, 7-5, 7-5.

World number one Federer will play for his sixth consecutive US Open title and record-stretching 16th career Grand Slam crown against Argentine sixth seed Juan Martin del Potro, who is 0-6 lifetime against Federer.

But the moment everyone will be talking about from Federer's semifinal triumph will be the back-to-the-net, between-the-legs running forehand which the Swiss superstar swatted past the stunned Serbian for an astounding winner.

"I do (practice) them a lot actually but they never work," Federer said. "That's why I guess it was the greatest shot I ever hit in my life."

Viewing a television replay moments after the match, Federer exclaimed, "That's unbelievable."

Djokovic was serving at 0-30 and lured Federer to the net, then lofted a lob to the back line that sent Federer dashing to run it down.

With no chance to spin, look back or otherwise set himself, Federer leaped above the ball, brought his right hand down the middle of his body and smacked the ball between his legs, just over the net and into the empty part of the court.

"I was in a difficult position. I had nothing to lose," Federer said.

The crowd roared its approval and Federer won with a forehand winner on the next point to end it after two hours 34 minutes.

Djokovic was broken only in the last games of the second and third sets and lost the tie-break by dropping five of the last six points.

Djokovic saved a break point in the 11th game of the first set to hold for a 6-5 lead despite
