

BSF man faces trial for killing three Bangladeshis

OUR CORRESPONDENT, *Thakurgaon*

Trial of a member of Indian Border Security Force (BSF) has begun for killing three innocent Bangladeshis by crossing the border in Tentulia upazila of Panchagarh district on November 16 last year.

The accused, BSF jawan RP Singh is being tried as per departmental rules, BSF sources said.

On Monday, two Bangladeshi doctors -- Dr Abdul Qaiyum, head of the Department of Surgery of Rangpur Medical College Hospital and Dr Baharam Ali, resident medical officer of Panchagarh Sadar Hospital -- went to Phulbari BSF camp through Banglabandha border and gave their statements before the trial court.

The two doctors gave treatment to the injured including RP Singh, who was caught by the villagers during the incident, and conducted autopsy of the killed persons.

Acting Commander of 25 Rifles Battalion Major Mozaffar Rahman, Tentulia Upazila Nirbahi Officer Monjur Alam and Operations

Officer of 25 Rifles Battalion Captain Hasibul Hossain Nobi also went to Phulbari camp with the doctors.

The same court on Saturday took statement of Sub-Inspector Abdul Latif, who was working at Tentulia Police Station during November 16 killings by BSF. Latif rescued RP Singh from villagers and rushed him to Panchagarh Sadar Hospital for treatment.

Eight to 10 drunken BSF personnel including RP Singh from Nayabari camp in India entered Mynaguri village of Tentulia near Majipara border on November 16 night and ransacked several houses.

When villagers protested, the BSF men entered the house of Shahidul Islam and fired indiscriminately, killing three people including a minor boy and injuring another person.

Villagers then caught RP Singh and gave him a good beating. He was handed over to BSF through a sector commander-level meeting several days later.

Following the incidents, the BSF authorities formed the six-member court headed by a deputy inspector general.

IU medical centre limps for shortage of doctors, staff

BSS, Kushtia

The medical centre of the Islamic University (IU) in the district is limping due to acute shortage of doctors, medicine and nurses causing immense suffering to the patients there.

IU sources said the medical centre started in August 2003 to provide round-the-clock service. Authorities at that time promised to appoint adequate number of doctors and staff shortly to run it properly.

But the assurance is yet to be materialised. According to the sources, there are now only 10 doctors, nine officials and nine nurses to provide health services for 12,000 students, teachers and officials.

Of them, two doctors are on educational leave while four senior medical officers work only six hours a day and five days a week.

Five doctors are manning the day shift, two look after the evening shift and only one work at night shift, which is simply inadequate for dealing with the patients.

As a result, the centre is facing tremendous difficulties in providing required

health services, a senior medical officer said. "It is very difficult to run the centre with such a small number of staff," he lamented.

Moreover, there are only two pharmacists at the centre for serving medicine in three shifts a day forcing the authorities to engage peons

and computer operators to have the job done.

The chief medical officer of the centre, ASM Liakat Ali, told the news agency that the authorities have already sent a note to the university's vice-chancellor Prof M Alauddin urging him to appoint new doctors and

staff for the centre.

"We are waiting for steps in this regard," he said.

"However, we are trying our best to provide maximum health services to the patients with our small number of staff and limited resources," he added.

UPDF enforces roadblock in Khagrachhari today

OUR CORRESPONDENT, *Khagrachhari*

Indigenous people of remote Laxmichhari upazila have stopped selling and buying goods at Laxmichhari Bazar protesting attack on some indigenous people and leaders of the United People's Democratic Front (UPDF) at the bazar allegedly by the activists of Bangladesh Chhatra League (BCL) and Banglalee Chhatra Parishad (BCP) on October 9.

UPDF will enforce a day-long road blockade programme in Khagrachhari district today protesting the attack. UPDF announced the programme at a meeting at Mohazonpara Lama Square yesterday with its district unit member Batayon Chakma in the chair.

Leaders of the UPDF alleged that the activists of BCL and BCP jointly launched the attack on the indigenous people including the UPDF leaders at the bazar at around 7:00pm on October 9, leaving six injured. The injured were not admitted to any hospital or clinic fearing arrest, they said.

They urged the indigenous people, including all leaders and activists of UPDF and its front organisations, to make the road blockade programme a success.

The meeting was addressed, among others, by United People's Democratic Front (UPDF) district unit member Kalopriya Chakma, General Secretary of Hill Women's Federation district unit Swarna Chakma and President of Pahari Chhatra Parishad Khagrachhari unit Ratan Chakma.
