**Position Vacancy Announcement**

The United States Agency for International Development (USAID)/Bangladesh invites applications from Bangladeshi nationals for recruitment of a Senior Program Specialist (Supervisory Budget Specialist) for the Program Office (PRO).

The Senior Program Specialist (SPS) occupies a key position in the Program Office, serving as the head of the Program Analysis and Budget Unit within the Program Office. As the most senior Foreign Service National (FSN) in the office, s/he is expected to serve a leadership role in the Program Office and the Mission at large. S/he may be called upon to serve as the Acting Program Office Director in the absence of the Program Office Director and Deputy Director. S/he is responsible for day-to-day coordination, oversight, and direction for the full range of Program Office functions and as such, will serve as a primary source of authoritative advice, guidance and analysis to support planning, design, and implementation of the USAID assistance program in Bangladesh. S/he works closely with all of the Mission's technical offices and support offices to ensure smooth program implementation. In addition, s/he must interact and work with counterparts in other US Government Agencies and with representatives at post to coordinate program planning, implementation, and reporting. Primary areas of responsibility include: liaison with high level host-country government counter-parts; coordination of Mission-wide program budget planning and execution including building of budget tracking systems to ensure adequate control of funds to be used for development purposes; Mission-wide project development, design, and monitoring, as well as implementation and oversight of local currency resources. The incumbent is expected to have a broad understanding of GOB policies and procedures related to development programming.

**Required Qualifications:**

Applicant must be able to pass security clearance and health screening for fitness to work.

1. **Education:** The incumbent must have at least a Masters degree in finance, economics, accounting, database/business management or a related field, or its equivalent. Relevant experience can be substituted for the Masters Degree for exceptional candidates.

2. **Language Proficiency:** English reading, writing, and speaking skills are required at a very high level (i.e., Level IV). Must be able to write and speak in a concise and thoughtful manner on development programs and issues. Fluency in spoken and written Bangla is required.

3. **Prior Work Experience:** 5-7 years of progressively-responsible professional experience in financial management in the public or private sector are required, at least 3 years of which should have been working with or for a foreign government, international NGO, foreign donor agency or foreign company. Previous experience should include responsibility for exercising judgment and providing solid analysis leading to sound financial decision-making on development assistance projects. At least three years of experience managing budget processes and working with database and spreadsheet software is also required.

4. **Knowledge:** A thorough and comprehensive knowledge of the principles and accepted practices of financial accounting, budgeting and reporting and familiarity with professional accounting principles, practices and terminology is required. In addition, the candidate should be familiar with GOB policies and procedures related to the implementation of assistance programs. S/he should have an excellent general understanding of development issues in Bangladesh and how government policies and donor support impact economic and social progress. Familiarity with best practices in project design, development, implementation and/or evaluation is also required.

5. **Skills and Abilities:** Excellent interpersonal skills, the ability to write in professional English, and ability to work in a team setting are essential skills for this position. In addition, this position requires excellent judgment, sophisticated analytical skills and strong organizational ability. S/he must demonstrate the ability to analyze budget and program performance data to inform development investment decisions. A high degree of computer literacy is required; including the ability to create and manipulate budget databases, develop presentation quality executive briefing materials, and develop systems to manage complex budget controls. The candidate must also demonstrate the potential to rapidly acquire job specific knowledge of U.S. Government legislation, policies and procedures relevant to development assistance.

Interested applicants must submit resume along with a one page cover letter stating level of education and experience that describes incumbent's suitability for this position. Please submit applications to the Human Resources Section, USAID/Bangladesh, GPO Box 2593, Ramna, Dhaka-1000, no later than November 19, 2009. Only short-listed candidates will be notified.
