DISCRIMINATION AGAINST WOMEN

Withdraw reservation on UN convention article
Speakers urge govt

STAFF CORRESPONDENT

Speakers yesterday called on the government to withdraw the reservation on Cedaw Article 2 which mainly deals with elimination of discrimination against women, as the government has one month to submit its combined 6th and 7th periodic report on Cedaw implementation.

Bangladesh Mahila Parishad President Ayesha Khanam said article 2 of the Convention on Elimination of All Forms of Discrimination Against Women (Cedaw) states the spirit of the convention.

The government must ratify the Cedaw article to stop heinous crimes against women, dowry, rape, murder and discrimination of all forms, including inheritance of property, she added.

Though women and children affairs minis-

try has already drafted the 6th and 7th combined report to submit to the UN Cedaw Committee in December this year, it organised a national consultation with women rights activists, NGO workers, lawyers, and lawmakers at Biam auditorium before finalising the report.

Shirin Sharmin, state minister for women and children affairs, and Meher Afroze Chumki, chairman of the parliamentary standing committee on the ministry, spoke at the programme with Secretary to the ministry Rokeya Sultana in the chair.

Prof Gitiara Nasreen, Advocate Salma Ali, Salma Khan, Ferdous Ara Begum, Mahfuza Mondal, Khadija Khatun Shefali, Rokeya Rafique and Rokeya Kabir also spoke.

Bangladesh ratified Cedaw in 1984 with some reservations.

Call to protect Mirpur playground

STAFF CORRESPONDENT

Residents of Mirpur-12 yesterday demanded illegal establishments in Lalmath, the only playground in the area, be immediately demolished.

At a press conference at the Dhaka Reporters Unity, residents of the area along with Paribesh Bachao Andolon (PBA) and Barnak Kirta O Sanskritik Angan alleged the encroachers are violating a directive of the High Court.

The High Court on July 30 issued a directive to demolish all

the illegal structures by October 30.

However, the illegal structures are still there and influential quarters have put up signboards on the land with a fresh bid to grab the playground, they added.

A BDR shop is currently occupying part of the western side of the ground while a makeshift kitchen market grew up around the shop gradually narrowing the space.

Chairman of PBA Abu Naser Khan and columnist Syed Abul Maksud also spoke at the press conference.

Study in Canada

At Windsor you get a world-class degree leading to dream jobs and great careers. Our graduates are valuable members of the Canadian economy and society.

Undergraduate and Postgraduate Courses offered

- Bachelor of Engineering
 - Bachelor of Commerce
 - Bachelor of Biotechnology
