

EXPLORE THE COAST

A seventy-year-old woman felt astounded looking at the magnificent view of the Inani beach in Teknaf. Imagine how you would feel! The good thing is, this beauty is just in your reach. If you are tired of your personal Odyssey, grab your sunscreen and begin a new journey to discover yourself in the realm of nature. The longest beach in Cox's Bazar takes a detour to Inani, yet solitary and awaiting.

Squeeze all the fun out from your hectic grown-up life and enjoy a tour of a lifetime in the beaches of Bangladesh
