# Announce roadmap to implement CHT accord

## Japanese lawmaker urges govt

STAFF CORRESPONDENT

Dhaka once again in March next year. "I will hand over a letter to Prime Minister Sheikh Hasina requesting her to implement the CHT peace accord. A copy of signatures of the Japanese people will be attached with the letter," said the Democratic Party of Japan lawmaker.

Naoto, also a member of Foreign Affairs Committee of the House of Representatives of Japan, said this after meeting with Executive Director of Ain O Salish Kendra Sultana Kamal at her office at Lalmaida in the city.

He said land is the main problem in the CHT, but there is no magical solution to the problem.

The Japanese lawmaker underscored the need for utilising the lands in the area and suggested the government should go for sustainable tourism project and industrial development in the area.

Naoto, the first Japanese lawmaker to visit the CHT, urged the government to save the forest and the environment in the area.

He said the Japanese government will assist Bangladesh in undertaking sustainable tourism development projects in the CHT.

The Japanese parliamentarian, who is on a personal visit, said he would come back to

Dhaka once again in March next year. "I will hand over a letter to Prime Minister Sheikh Hasina requesting her to implement the CHT peace accord. A copy of signatures of the Japanese people will be attached with the letter," said the Democratic Party of Japan lawmaker.

As the biggest donor to Bangladesh, the Japanese government has some responsibility to observe whether the peace accord is being implemented or not, Naoto said.

During his visit from December 18 to 20, Naoto met with Chairman of Chittagong Hill Tracts Regional Council Jotirindra Bodhipriya Larma, deputy commissioners of three hill districts and local people.

"Talking to different quarters, I have found that co-existence of both the Bangalees and the indigenous people in the area is very important," he said.

He urged the government to pay more attention to human development, education and employment in the CHT area.

Sultana Kamal and Third Secretary of the Japanese Embassy in Dhaka Ken Komine were also present while Naoto was talking to newsmen.
