USAID BANGLADESH

Position Vacancy Announcement

The United States Agency for International Development (USAID)/Bangladesh invites applications from Bangladeshi nationals for the recruitment of a Travel Assistant for the Executive Office (EXO).

The incumbent serves as the Travel Assistant in the Executive Office under the direction of the USAID Supervisory Executive Specialist. S/he advises Mission staff regarding official travel, USG travel regulations, and airlines, International Air Transport Association (IATA) and host government rules and practices, prepares Travel Authorizations (TAs) and also coordinates with International Cooperative Administrative Support Services (ICASS) Travel Section and the US Embassy travel contractor. S/he is also responsible as a part of administrative and coordination services and functions in support of Mission logistics.

Required Qualifications:
 Applicant must be able to pass security clearance and health screening for fitness to work.

- Education:** Possession of a higher secondary education degree or the host-country equivalent in relevant field. (You must attach a copy of your HSC certificate along with your application form).
- Language Proficiency:** At this level an employee is required to have a good working knowledge of both written and spoken English. The employee should be able to read and understand agency regulations, operating instructions, memoranda, and related material concerning the field of work, to prepare correspondence and standardized reports, and to communicate effectively with English speaking staff members and the general public, including both English speaking and non-English speaking persons. English language proficiency will be tested.
- Prior Work Experience:** A minimum of two to three years of progressively responsible experience in a local/international airline reservations office or a closely related field is required.
- Knowledge:** Sound knowledge of domestic/international travel regulations, instructions, procedures, IATA regulations, and familiarity with reservation and ticketing procedures.
- Skills and Abilities:** Excellent organization and time management skills are essential to successful performance in this position. The Travel Assistant will frequently have many Travel Authorizations (TAs) to accomplish within strict timeline; consequently, the ability to work under pressure is an important aspect of this position. In dealing with travelers, the Travel Assistant shall be expected to be tactful and respectful of others in every instance. Must be adept at providing sound travel policy advice; and establishing and maintaining effective working relations with management of the employing agency staff at all levels. Must be familiar with Microsoft Word, Excel, Access and PowerPoint.

Interested applicants must submit resume along with a one page cover letter stating level of education and experience that describes incumbent's suitability for this position. Please submit applications to the Human Resources Section, USAID/Bangladesh, GPO Box 2593, Ramna, Dhaka-1000, no later than January 24, 2010. Only short-listed candidates will be notified. D-37

Short-listed qualified Agencies/Organizations will receive the Request for Proposal for submitting detailed technical and cost proposals.

For any clarification please contact:
 Dr. A Z M Zahidur Rahman, Head of Disease Prevention, (Telephone: 880-2-8811423-29 Ext. 125)

Please note that SMC reserves the right to reject any/all proposal(s) if found not meeting the requirements, without any reason and justification.

American Fuel Saving Technology Now in Bangladesh

MAGNETIZER ACTS LIKE MIRACLE IN SAVING FUEL AND ENERGY

- Reduce Fuel Consumption (Minimum 5-8%, Maximum 15-20%)
- Reduce CO2 Emission
- Reduce 100% CO Emission
- Increase efficiency and performance
- Save Energy and reduce exhaust pollution (HC, C, S, NOx NO)
- Reduce Knocking in Engine
- Better Starts and more power

Magnetizer is used in any hydrocarbon fuel equipment like Gas, Diesel and others hydrocarbon fuel Generator, Boiler, Direct fired Absorption Chiller, Automobile, Marine, Railway Engine etc.

OTHER USES OF MAGNETIZER: Oil Refinery, Water treatment (as a water softener), Refrigeration Mixture, Absorption Chiller (in chilled water line), Plastic Injection Mould System, Heat Exchangers, Cooling Tower

MAJOR END USERS: SAMSUNG, COCA COLA, TOYOTA, HILTON, SIEMENS, IBM, MITSUBISHI, SANYO, SANYO, SANYO
