TRAIDCRAFT
Fighting poverty through trade
This project is funded by the European Union
JUTE: AN ECO-FRIENDLY ALTERNATIVE FOR A SUSTAINABLE FUTURE PROJECT VACANCY ANNOUNCEMENT
Traidcraft Exchange (TX) will implement a project, 'Jute: an eco-friendly alternative for a sustainable future'. TARANGO, a national NGO, is the local partner of the project in Bangladesh. The project is funded by EU under its SWITCH-Asia programme. The project aims to reduce poverty by encouraging a switch to more environmentally sustainable practices in the jute industry by promoting the sustainable production and consumption of eco-friendly Jute Diversified Products (JDPs). Applications are invited by TX Bangladesh office from suitable candidates for the following positions of the stated project:
Project Coordinator (Jute) (01) (Location: Dhaka with frequent travel within the country (with some overseas travel))
The position is contractual for 46 months and will directly report to the Country Director TX BD or his delegated person.
Brief Job Descriptions:
The selected person, who would work as the Project Officer of the project, will oversee the overall activities of the project on day to day basis and be responsible for overall implementation of the project in Bangladesh. Broadly s/he would:
• Participate in developing and implementing Action Plan
• Liaise and network with all relevant stakeholder including policy makers and opinion leaders
• Lead different studies
• Coordinate with partner and through them with participating SMEs
• Monitor, evaluate and disseminate findings and learning
• Prepare regular reports about project progress
• Oversee financial and administrative matters of the project.
• Manage other project staff
Requirements
• Masters in Business Administration or Economics from any reputed university.
• At least 7 years experience in a managerial or mid level position in the development sector. Experience in working with SMEs and/or marketing field will be given preference.
• Excellent interpersonal and communication skills.
• Computer literacy and excellent command over English (verbal and written)
• Working experience in multi-cultural environment and excellent report writing skills
Supply Chain Officer (01) (Location: Dhaka with frequent travel requirements)
The position is contractual for 46 months and will directly report to the Project Coordinator (Jute)/Project Officer or his delegated person.
Brief Job Descriptions:
The project officer will be primarily responsible for assisting the project manager in undertaking overall project activities towards achieving the project objective in Bangladesh. Broadly, s/he will specifically perform:
• Networking with SMEs
• Identify different supply chain actors for JDPs
• Network with the supply chain actors
• Facilitate developing mutually beneficial business relationship amongst the SMEs and identified supply chain actors
• Undertake innovative approach to promote JDP market
Requirements
• Masters in Business administration/ Marketing/Economics
• At least 3 years experience in networking with multi-stakeholders in both private and public sector
• Some experience in marketing/sales promotion will be preferred
• Excellent interpersonal and communication skills (computer literacy and English proficiency are must)
Competitive compensation package will be offered to competent candidates. A initial gross salary of Tk.59,250 and TK.24,000 plus gratuity and bonus will be offered to the Project Coordinator and Supply Chain Officer respectively. Please send your application electronically with your resume and photograph to TX_bangladesh@traidcraft.org by March 16, 2010.
WOMEN ARE ENCOURAGED TO APPLY FOR THESE POSITIONS

Vacancy Announcement
Government of Bangladesh has received a Credit from the International Development Association (IDA) to implement new program under Social Investment Program Project (SIPP) through Social Development Foundation (SDF) to help restore the livelihood of rural communities affected by the 2007 floods. SDF is a pro-poor organization that aims at social and economic empowerment of the poor and disadvantaged people in Bangladesh by addressing the poverty, livelihoods and empowerment issues of the rural poor. SDF is looking for motivated and innovative professionals for the following positions in its new Flood Cell to be set up as a National unit of SDF, in Dhaka. The Flood Cell will be responsible for managing the implementation of the new programs. Successful candidates have to respect the poor, open to learning and should have an aptitude for community driven development. The work involves extensive travel to the affected areas and working in the field.
