### Notice for the Pre-Qualification of Sponsors for Implementation of a 300-450 MW Gas-Fired Combined Cycle Power Project on a Build Own Operate (BOO) Basis at Bibiyana (Phase-II), Bangladesh

Having been authorized by the government of the People's Republic of Bangladesh (GOB), Bangladesh Power Development Board (BPDB) intends to select a potential sponsor (the Project Sponsor) to develop a gas-fired 300-450 MW combined cycle power plant at Bibiyana (the Project) on a site that will be owned by BPDB. The project will be implemented on Build, Own and Operate (BOO) basis for a period of 22 years.

The project sponsor will be selected through an international competitive bidding process from a pool of applicants (the Applicants) who meet the criteria set forth in this pre-qualification document. The selected project sponsor will be required to arrange the necessary financing and to execute the key project documents for the project.

BPDB seeks to pre-qualify interested power project developers who have previous international experience in implementing power generation projects, and invites interested developers to submit qualification statements in accordance with the criteria set forth in this pre-qualification document. Only applicants whose qualification statements demonstrate that they meet all the criteria set forth in this pre-qualification document will be invited to submit bids for the project. This pre-qualification document (and any amendments thereto) will be available at the BPDB website: <http://www.bpdb.gov.bd>. Interested developers intending to submit a qualification statement to BPDB should check BPDB's website on a regular basis to ensure that they are familiar with any amendments or modifications to the pre-qualification document, which amendments or modifications shall be binding on the applicants and their qualification statements if such amendments or modifications are posted on BPDB's website not later than 72 hours prior to the pre-qualification closing date.

Applicants should submit to BPDB their qualification statements during normal business hours, together with a non-refundable processing fee of US\$ 500 (or Bangladesh Taka 35,000) in the form of an international Bank Draft encashable at any scheduled bank in Bangladesh or in the form of a local Bank Draft, made payable to "Secretary, Bangladesh Power Development Board", at or before 1200 hours Bangladesh Standard Time on 02 May, 2010 (the Pre-Qualification Closing Date). Any requests for additional information and/or questions concerning this pre-qualification document shall be submitted in writing not later than 15 business days before the pre-qualification closing date and all completed qualification statements shall be submitted not later than the pre-qualification closing Date, in each case in writing to:
