

Cultural relations with India to strengthen further: Hasina

UNB, Dhaka

Prime Minister Sheikh Hasina yesterday said cultural relations between Bangladesh and India would strengthen further, as the two countries are bound by long and tradi-

tional cultural ties. She expressed the optimism when President of the Indian Council for Cultural Relations Dr Karan Singh called on her at her official residence Gonobhaban in the city.

"We are inheritors of same long tradition," the prime minister said. She said the people of this country still remember the assistance India had extended during the Liberation War in 1971.

CANTONMENT HOUSE Hearing on Khaleda's petition Mar 15

STAFF CORRESPONDENT

The High Court (HC) yesterday deferred until March 15 the hearing on a writ petition filed by BNP Chairperson Khaleda Zia challenging the legality of a government notice asking her to leave the Cantonment house.

The HC bench of Justice Syed Mah-

mud Hossain and Justice ATM Fazle Kabir fixed March 15 for hearing of the petition following a time prayer moved by Moudud Ahmed, a counsel for Khaleda.

Moudud told the court that advocate TH Khan, principal counsel for Khaleda, could not appear before this court for placing arguments, since he was busy with other urgent cases.

The bench was due to hold the final hearing on the petition yesterday.

On May 27 last year, the HC stayed the operation of the government notice that asked Khaleda to leave her Cantonment house by June 30 of the same year.

The court also issued a rule upon the government to explain why the notice should not be declared illegal.
